RE: Delaying Implementation of Itemized Billing for IRHC Clinics

Medicaid will not be implementing changes communicated to you in the July 7, 2017, ALERT which would require you to bill claims with specific procedure codes on January 1, 2018. Please continue to bill your claims to Medicaid as you normally do for processing. Providers will be notified in advance when billing changes are implemented at a future date.

If you have questions, please contact the Provider Assistance Center at 1-800-688-7989.
