TO: All Medicaid Enrolled Mental Health Professional Providers (Psychiatrists, Pediatricians, Psychologists, LICSWs/LMSWs, CMHCs, FQHCs, RHCs)

RE: Infant/Early Childhood Mental Health Landscape Survey

The Alabama Department of Early Childhood Education, in collaboration with the Alabama Department of Mental Health and Alabama Medicaid Agency, has developed a survey to identify those practitioners who currently provide mental health services to the birth through 5 years old-family population. This survey will be used to facilitate policy discussions, increase accessibility to services, and provide professional development around such services.

If you are a mental health provider to the birth through 5 years old-family population in Alabama, please take a moment to complete this survey by July 31, 2018. Thank you for devoting your time and providing candid input!
