RE: Three-Month Maintenance Supply Updates

Effective July 1, 2020 the Alabama Medicaid Agency will:

1. **Allow certain medications within the Three-Month Maintenance Supply program to be dispensed with a day's supply in a range from 80 days up to 90 days depending on the dosage of the medication prescribed. All existing policies regarding the maintenance supply program will remain in effect. Medications that will be included in this update are listed below.**
 - **Insulins**
2. **Include dornase alfa (Pulmozyme), all oral formulations of mycophenolate, all oral formulations of tacrolimus, and all oral formulations of ursodiol in the mandatory three-month supply program.** Prescriptions for three-month maintenance supply medications will not count toward the monthly prescription limit. A maintenance supply prescription will be required after 60 days' stable therapy. Please see the website for a complete listing of maintenance supply medications.
