Spay/Neuter License Plate Surgery Program

A co-pay of $10 per cat or $20 per dog must be paid by the Medicaid recipient but the remaining balance is paid through a grant from the Foundation. There is a limit of two (2) animals per household and proof of your Medicaid status and identification must be presented before any procedure is performed.

There is a map locator for participating veterinarians and it can be found by going to **www.alvma.com** and following the instructions under "**Spay/Neuter License Plate Surgery Program**" at http://www.alvma.com/displaycommon.cfm?an=1&subarticlenbr=396.
