

One Health Record® What, Why, & How

JUNE 17, 2015

Would I Want To Connect
to One Health Record[®]?

Been trying to gain

momentum

since the Eisenhower administration

They
change
leaders
more often
than Lady
Gaga
changes
outfits

**Why
would I
want to
exchange
data with
three
other
providers?**

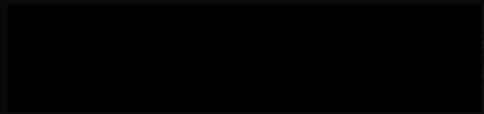

GOVERNMENT

IF YOU THINK THE PROBLEMS WE CREATE ARE BAD,
JUST WAIT UNTIL YOU SEE OUR SOLUTIONS.

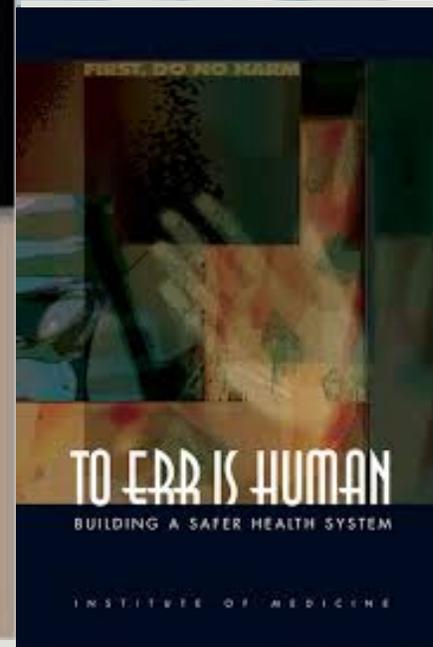

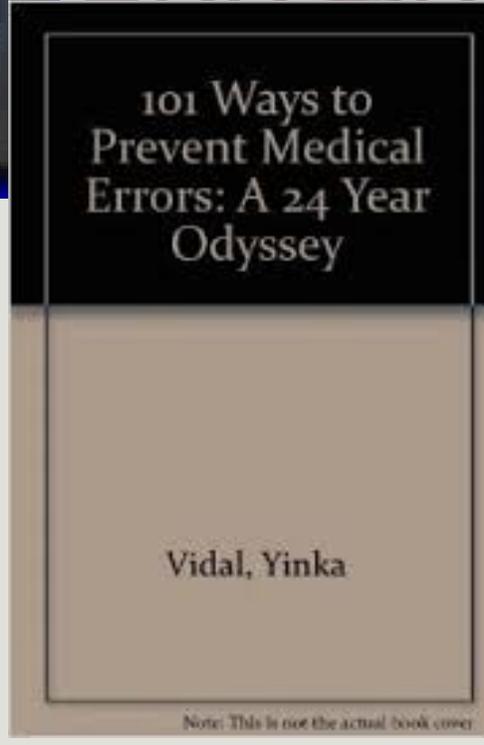

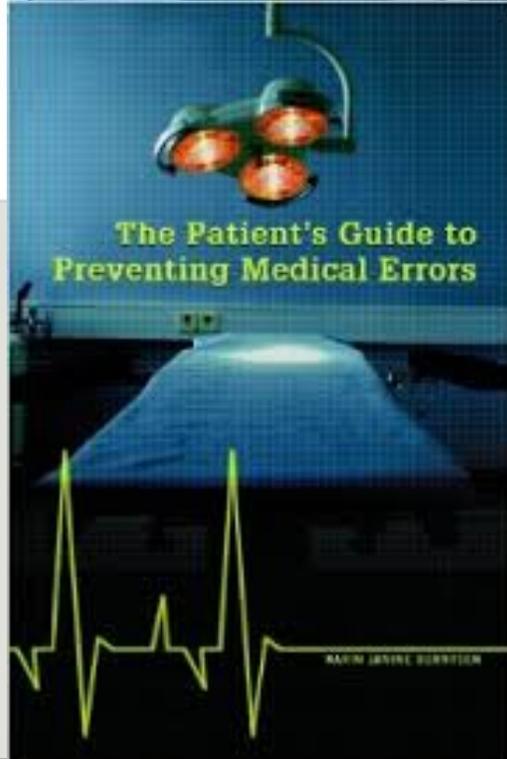

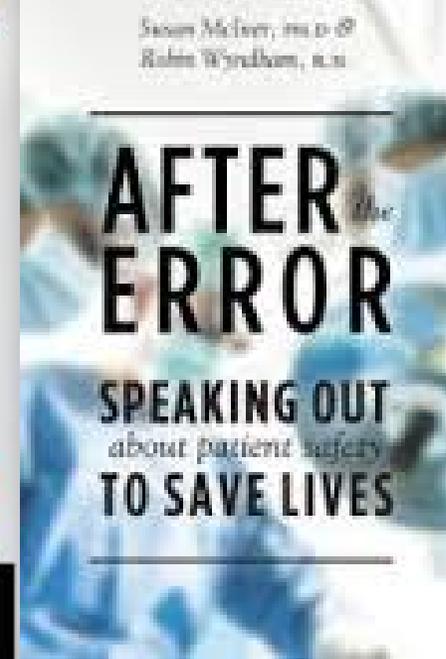

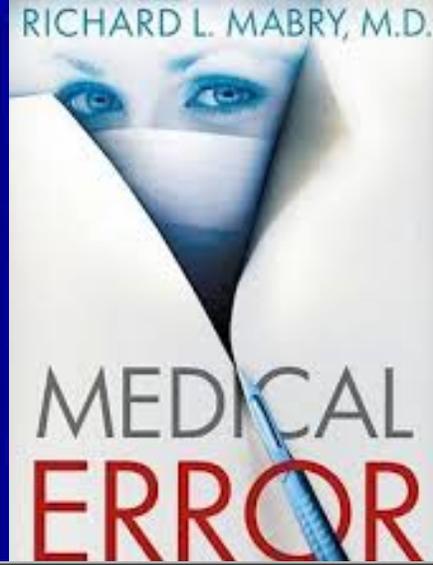

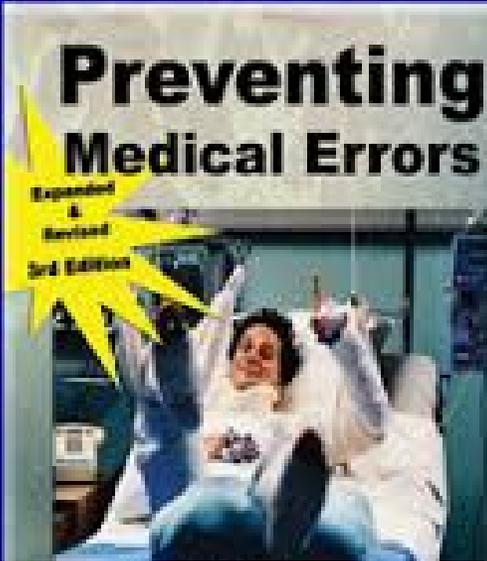

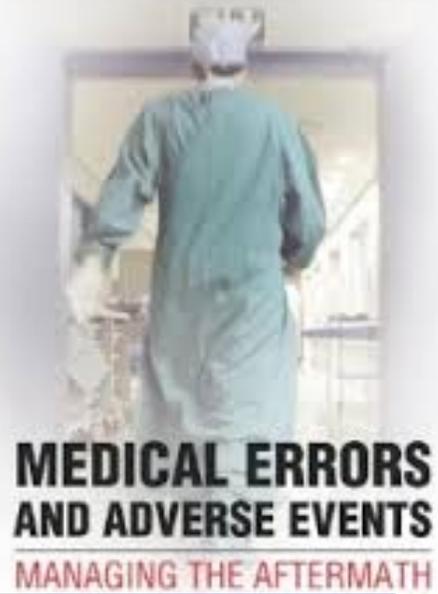

I feel your pain.

Top 10 Reasons To Connect to an HIE

1. Healthcare Information and Management Systems Society (HIMSS). "[Evaluating a Potential HIE Opportunity Web Site Disclaimers](#)", HIMSS Guide to Participating in HIE. 2009 November.

Improve patient safety by reducing medication and medical errors

Increase efficiency
by eliminating
unnecessary
paperwork and
handling

HERMAN/Unger

© 1988 Universal Press Syndicate
Rapid pulse, sweating, shallow breathing. According to the computer, you've got gallstones

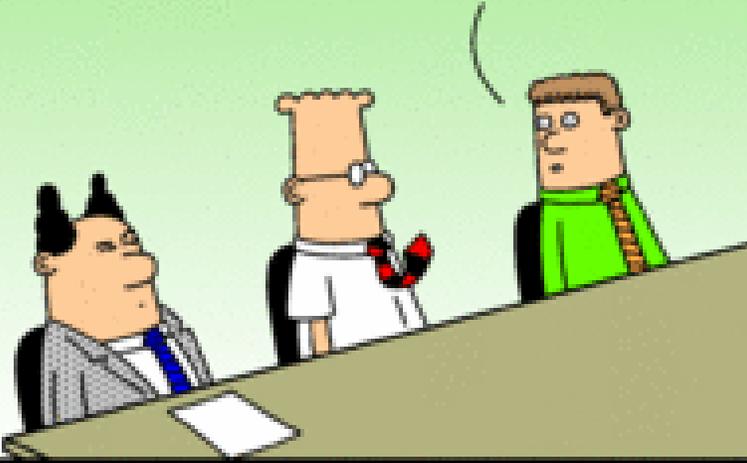

Provide caregivers with clinical decision support tools for more effective care and treatment

I STARTED A TASK FORCE TO ELIMINATE REDUNDANCIES IN OUR INTERNAL PROCESSES.

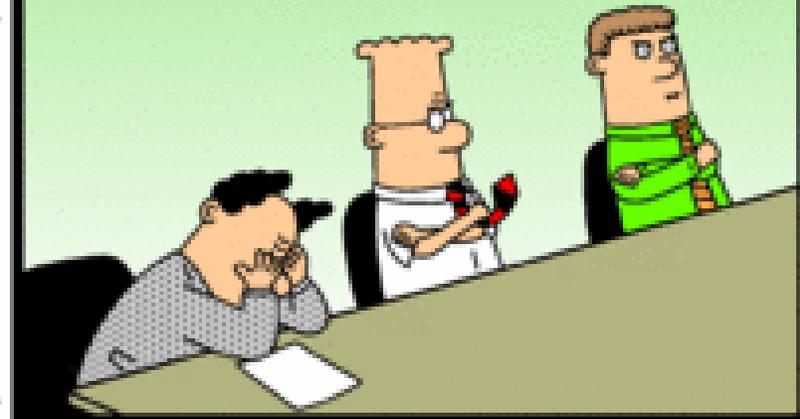

Dilbert.com DilbertCartoonist@gmail.com

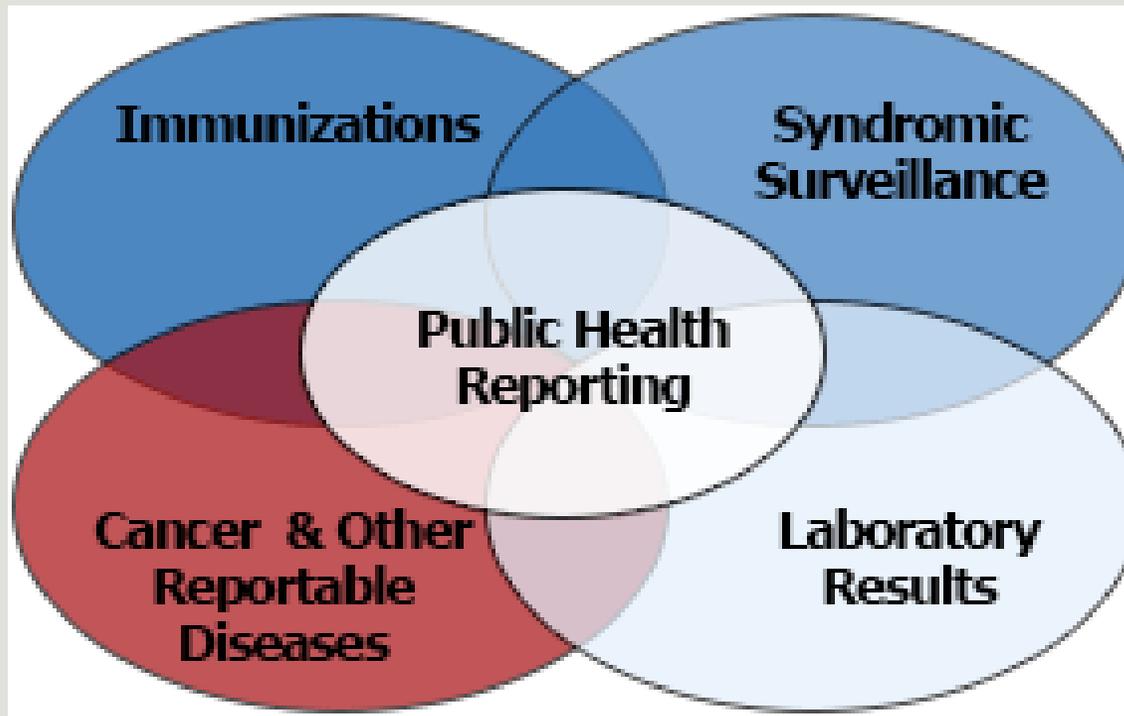

REALLY?
I'M DOING
THE SAME
THING.

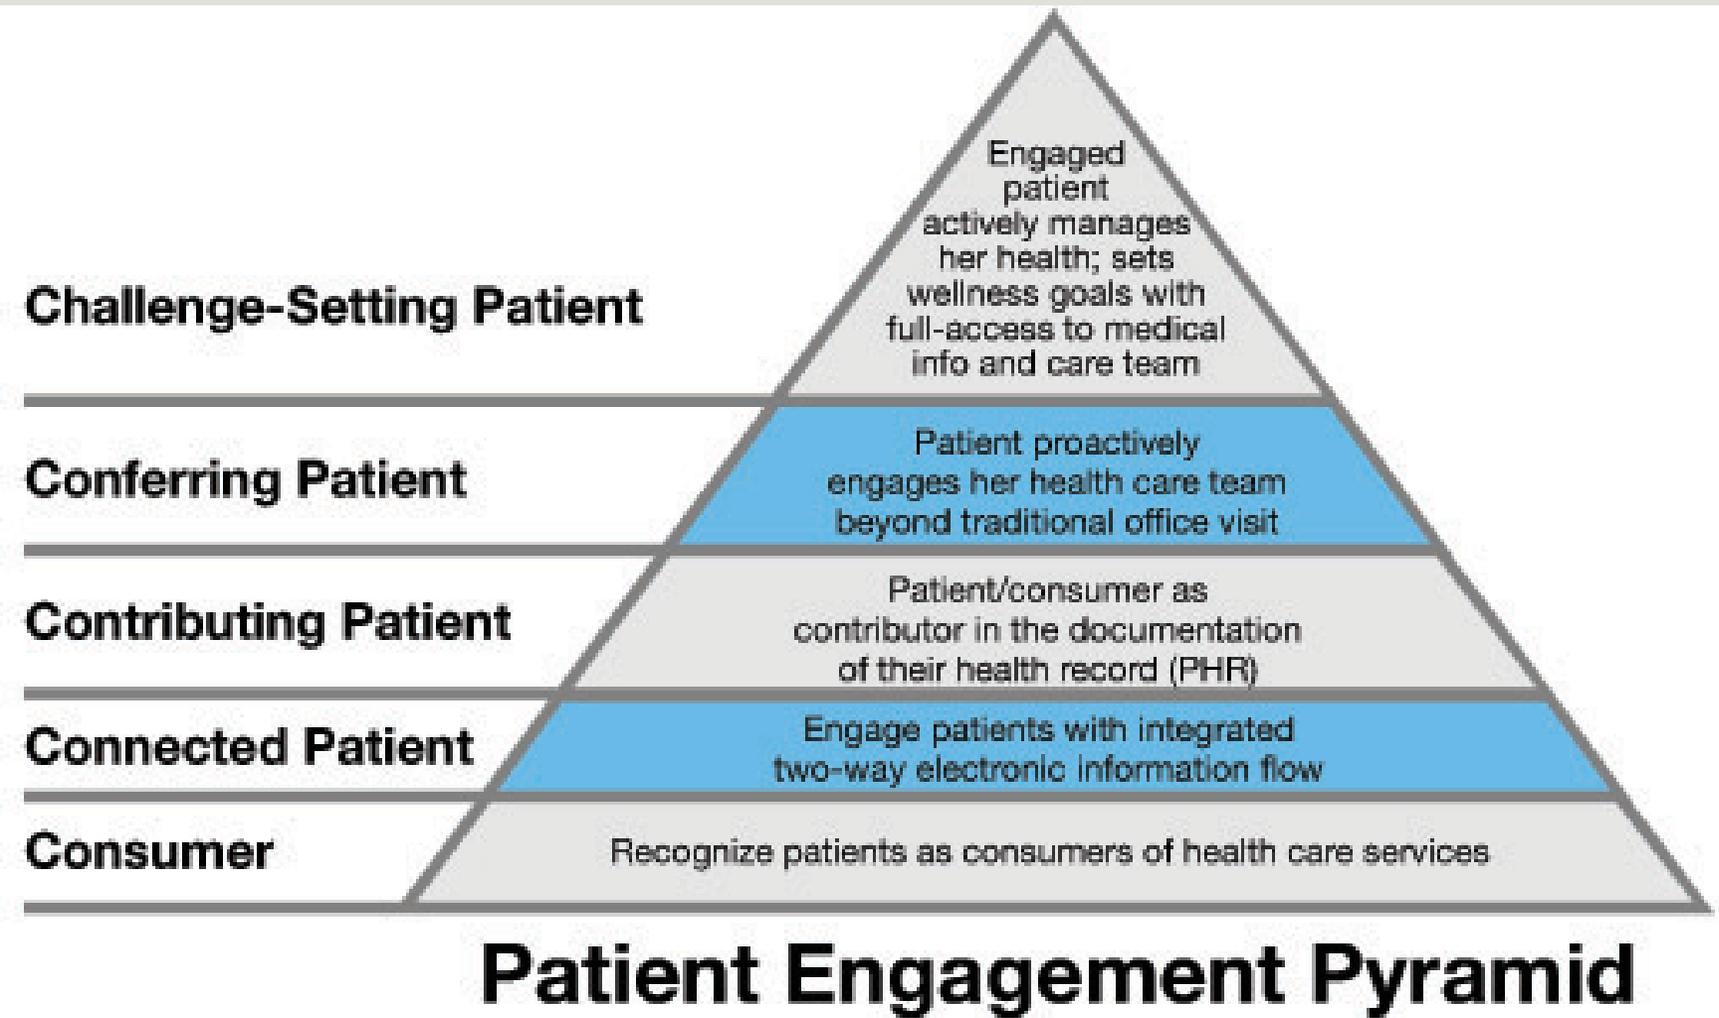

4-27-11 ©2011 Scott Adams, Inc. Dist. by Universal Uclick

Eliminate redundant or unnecessary testing

Improve public health
reporting and
monitoring

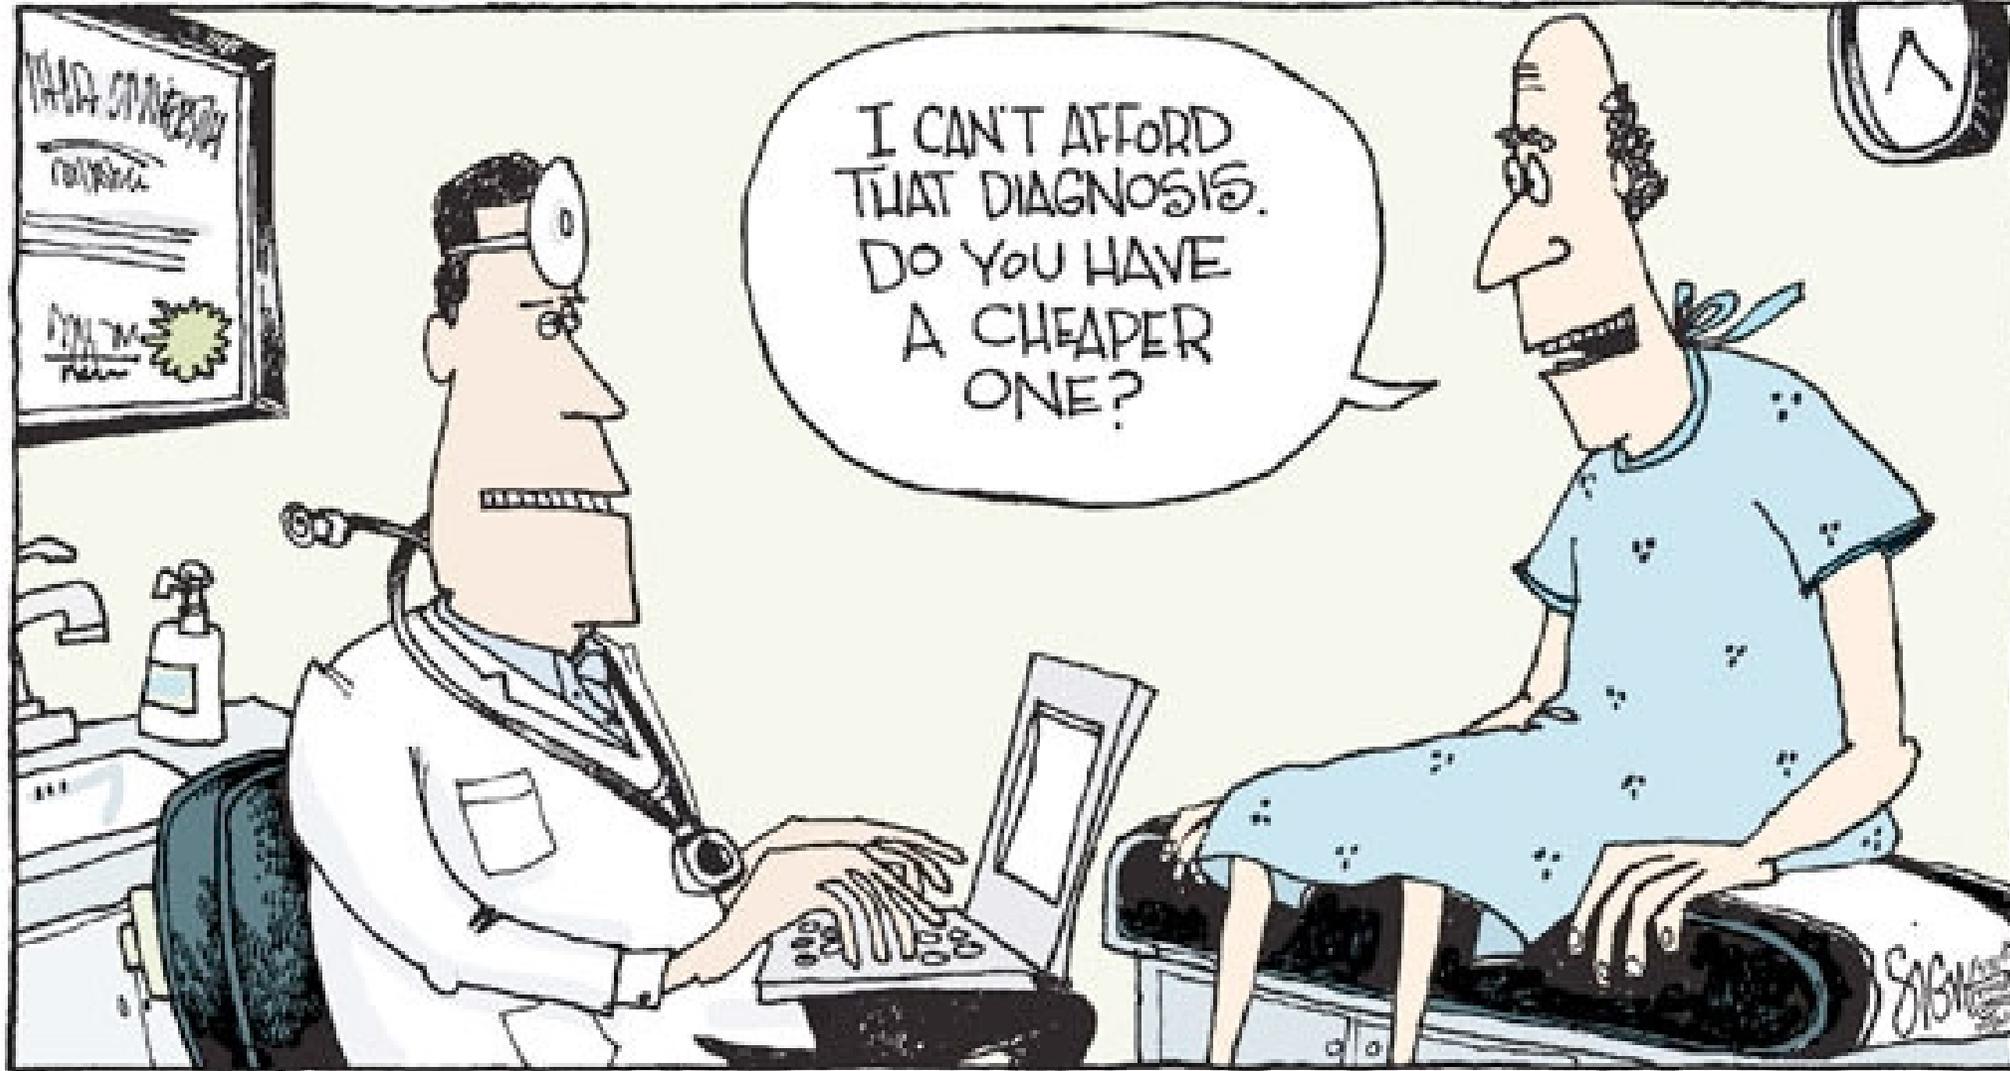

Engage
healthcare
consumers
regarding their
own personal
health
information

Improve healthcare quality and outcomes

$$\frac{\text{Outcomes that matter to patients}}{\text{Cost per patient}} = \textit{Value}$$

EVERYONE AGREES TO HELP REDUCE HEALTH CARE COSTS!...

Reduce
health
related
costs

OUR DISASTER RECOVERY PLAN GOES SOMETHING LIKE THIS...

SOMEDAY WE HOPE TO HAVE A BUDGET.

Disaster recovery capabilities

Enhanced reputation in the
community and increased
goodwill

What is One Health Record[®] Doing Today?

Implementations in progress

- 7 hospitals
- Over 100 clinic and private sites
- 7 different EHR vendors

- 1500 messages per month

What is One Health Record® Doing Today?

Increasing staff for better support

- 1 implementation manager
- 2 infrastructure
- 1 outreach
- 2 help desk

What is One Health Record[®] Doing Today?

Decreasing
time to
establish
connections

What Do We Need To Do?

- Build out the HIE system platform and services
- Build out and evaluate East Alabama pilot
- Recruit, train, implement and support Medicaid-enrolled doctors and hospitals
- Connect Huntsville Regional HIE (NAHIE)
 - Received funds from state to connect to state HIE
- Expand to non-Medicaid providers
- Establish independent authority organization

What Do You Need to Do?
