

Medicaid Maternity Care Program

To set up your prenatal care through Medicaid . . .

- 1) Find the county you live in now.
- 2) Look for the number (1-14) to find out which area will provide your care.
- 3) Call the toll-free number for your area to set up your prenatal care. The numbers you need are on the other side of this brochure.
- 4) District 10 & District 12 recipients may go to any provider who accepts Medicaid.

If you are not on Medicaid now, but want to apply:

- 1) Call or visit the Medicaid worker for your county. Medicaid has workers at most health departments and many clinics. Call 1-800-362-1504 toll-free to find the worker closest to you.

If you started your prenatal care in a different area and you are already on Medicaid:

- 1) Call the toll-free number for your old area and tell them that you are moving. Ask them to send your records to the new area.
- 2) Call the toll-free number for your new area. Let them know your new address and telephone number. Find out what you need to do to set up your prenatal care in your new county.
- 3) In your new area, call or visit the Medicaid worker or the agency (DHR, SSA) where you applied for Medicaid. Give them your new address. *Important:* Without your new address Medicaid may not be able to pay for your care!
