Rule No. 560-X-45-.03 Primary Contractor Standards
Primary Contractors must comply with the provisions of the executed contract, its amendments and referenced materials, the approved 1915(b) Waiver, the Code of Federal Regulations Part 438, and all other state and federal regulations governing the Medicaid program. The following outlines the standards for the Primary Contractor.

(1) Demonstrate the capability to serve the pregnant Medicaid eligible population in the designated geographical area.

(2) Procure a network of providers within a maximum of 50 miles travel for all areas of their district.

(3) Designate a full time Director for the district(s) who has the authority to make day to day decisions, implement program policy, and oversee the provision of care to qualified recipients according to federal and state regulations.

(4) Establish business hours for the provision of maternity services. The Director or an appropriately qualified designee must be available and accessible during business hours for any administrative and/or medical problems which may arise.

(5) Require subcontractors providing direct care to be on call or make provisions for medical problems 24-hours per day, seven days per week.

(6) Require that all persons including employees, agents, subcontractors acting for or on behalf of the Primary Contractor, be properly licensed under applicable state laws and/or regulations.

(7) Comply with certification and licensing laws and regulations applicable to the Primary Contractor's practice, profession or business. The Primary Contractor agrees to perform services consistent with the customary standards of practice and ethics in the profession.

(8) Comply with State and Federal laws regarding excluded individuals and entities. The Primary Contractor agrees not to knowingly employ or subcontract with any health professional whose participation in the Medicaid and/or Medicare Program is currently suspended or has been terminated by Medicaid and/or Medicare.

(9) Require that network providers offer hours of operation that are no less than the hours of operation offered to commercial enrollees or comparable to Medicaid fee-for-service, if the provider only serves Medicaid recipients as required at 42 CFR 438.206(c)(1)(i).

(10) Establish mechanisms to ensure that the network providers comply with timely access requirements. The primary contractor shall monitor regularly to determine compliance and shall take corrective action if there is a failure to comply. Access requirements are further defined at 42 CFR 438.206(c)(1)(iv)(v)(vi).

(11) Comply with all State and Federal regulations regarding family planning services and sterilizations, including no restriction on utilization of services.

(12) Require all subcontractors providing direct services to meet the requirements of and enroll as Medicaid providers as applicable

(13) Require accurate completion and submission of encounter data claims to support the validity of data used for statistical purposes and to set actuarial sound capitation rates.

(14) Cooperate with external review agents who have been selected by the State to review the Program.

(15) Report suspected fraud and abuse to the Alabama Medicaid Agency. In addition, these policies and procedures must comply with all mandatory State guidelines and federal guidelines as specified at 42 CFR 438.608(b)(1).

(16) Prohibit discrimination against recipients based on their health status or need for health services as specified at 42 CFR 438.6(d)(3)(4).

(17) Ensure that medical records and any other health and enrollment information that identifies any individual enrollee must be handled in such a manner as to meet confidentiality requirements as specified in 42 CFR 438.224. Each Primary Contractor must establish and implement procedures consistent with confidentiality requirements as specified in 42 CFR 438.224.

(18) Notify and furnish information to Medicaid if the Primary Contractor cannot reimburse payment, provide coverage of a counseling or referral service because of an objection on moral or religious grounds in accordance with 42 CFR 438.102(a)(b). If the Primary Contractor elects not to provide the service, then it must provide the related information to the State so that it can be provided to the recipient.

Statutory Authority: Section 1932 of the Balanced Budget Act of 1997; Section 1905(t)(3) of the Social Security Act; 42 CFR Section 438; Alabama Medicaid Agency State Plan and approved 1915 (b) Waiver.
History: New rule filed: February 19, 1999; effective May 1, 1999. **Amended:** Filed August 22, 2005; effective November 16, 2005. **Amended:** Filed July 12, 2018; effective August 27, 2018.

Rule No. 560-X-45-.04 Primary Contractor Functions/Responsibilities

(1) Provide the pregnant Medicaid eligible population obstetrical care through a comprehensive system of quality care. The care can be provided directly or through subcontracts.

(2) Implement and maintain the Medicaid approved quality assurance system by which access, process and outcomes are measured.

(3) Utilize proper tools and service planning for women assessed to be medically or psychosocially at risk.

(4) Provide recipient choice among Delivering Healthcare Professionals in their network.

(5) Meet all requirements of the Provider Network including maintaining written subcontracts with providers to be used on a routine basis including but not limited to, delivering physicians including obstetricians, family practitioners, general practitioners, anesthesiologists, hospitals, and care coordinators. For the first 30 days prior to contract start date and for the 1st month of each succeeding contract year, the Primary Contractor must offer opportunities for participation to all interested potential subcontractors.

(6) Notify the Agency, in writing, of changes in the subcontractor base including the subcontractor's name, specialty, address, telephone number, fax number and Medicaid provider number.

(7) Maintain a toll-free line and designated staff to enroll recipients and provide program information. If the Primary Contractor, subcontractors and recipients are within the local calling distance area a toll-free line is not necessary.

(8) Require subcontractors to comply with advance directives requirements.

(9) Develop, implement and maintain an extensive recipient education plan covering subjects, including but not limited to, appropriate use of the medical care system, purpose of care coordination, healthy lifestyles, planning for baby, and self-care. All materials shall be available in English and the prevalent non-English language in the particular service area. The Primary Contractor is required to participate in the Agency's efforts to promote the delivery of services in a culturally competent manner including to those with limited English proficiency and with diverse cultural and ethnic backgrounds. The Primary Contractor must have the necessary staff and resources to address recipients with special needs such as hearing, sight and/or speech impairments. The Primary Contractor must make oral interpretation services available for all non-English languages free of charge to each enrollee and potential enrollee.

(10) Develop, implement, and maintain a provider education plan, covering subjects including but not limited to, program guidelines, billing issues, and updates from Medicaid. Provide support and assistance to subcontractors including but not limited to, program guidelines, billing issues, and updates from Medicaid. Education shall be provided semi-annually.

(11) Develop, implement and maintain an effective outreach plan to make

providers, recipients and the community aware of the purpose of the Alabama Medicaid Agency MCP and the services it offers. The Primary Contractor is refrained from marketing activities as specified in Administrative Code 560-X-37-.01(17) and as further defined in 42 CFR 438.104(a) and 438.104(b)(1) et al. At a minimum, such education shall be provided semi-annually.

(12) Develop, implement and maintain a recipient program explaining how to access the MCP including service locations. Materials shall provide information about recipient rights and responsibilities, provisions for after-hours and emergency care, referral policies, notification of change of benefits, procedures for appealing adverse decisions, procedures for changing DHCP, exemption procedures and grievance procedures. All materials shall be available in English and in the prevalent non-English language in the particular service area. The Primary Contractor must have the necessary staff and resources to address recipients with special needs such as hearing, sight and/or speech impairments, and make oral interpretation services available for all non-English languages free of charge to each enrollee and potential enrollee.

(13) Develop, implement and maintain a grievance procedure that is easily accessible and that is explained to recipients upon entry into the system.

(14) Develop, implement and maintain a system for handling billing inquiries from recipients and subcontractors so that inquiries are handled in a timely manner.

(15) Develop, implement and maintain a computer based data system that collects, integrates, analyzes and reports. Minimum capabilities include recipient tracking, billing and reimbursement, data analysis and the generation of reports regarding recipient services and utilization.

(16) Give Medicaid immediate notification, by telephone and followed in writing, of any action or suit filed and prompt notice of any claim made against the Primary Contractor by any subcontractor which may result in litigation related in any way to the subject matter of this Contract. In the event of the filing of a petition of bankruptcy by or against any subcontractor or the insolvency of any subcontractor, the Primary Contractor must ensure that all tasks related to any subcontractor are performed in accordance with the executed office.

(17) Ensure that subcontractor maintain for each recipient a complete record, including care coordination notes, at one location, of all services provided. Such information shall be accessible to the Primary Contractor and shall contain such information from all providers of service identified by recipient name, recipient number, date of service, and services provided prior to making payment to that provider of service. It is acceptable to maintain one medical record and one administrative record (e.g. care coordination billing).

(18) Perform claims review prior to submission to Medicaid for Administrative Review.

(19) Advise recipients of services that may be covered by Medicaid that are not covered through the MCP.

(20) Promptly provide to Medicaid all information necessary for the reimbursement of outstanding claims in the event of insolvency.

(21) Coordinate care from out-of-network providers to ensure that there is no added cost to the enrollee.

(22) Provide Application Assister services to Medicaid recipients.

(23) Develop a system to ensure all written materials are drafted in an easily understood language and format. Written material must be available in alternative formats and in an appropriate manner that takes into consideration the special needs of those who, for example, are visually limited or have limited reading proficiency.

(24) Provide Medicaid copies of all medical record documentation from subcontractors for medical record reviews and other quality related activities as applicable.

(25) Designate a person to enter data and manage Medicaid's Service Database entries for each district. This designee is responsible for the transmission of valid, timely, complete and comprehensive data, along with auditing the database periodically.

(26) Coordinate Service Database data entries for recipients transferring from one district to another district to ensure transmission of valid, timely, complete and comprehensive data entries.

Rule No. 560-X-45-.07 Complaints and Grievances

(1) Each Primary Contractor shall implement an approved written grievance

and a one level appeal system that meets the requirements of 42 CFR § 438 including, but not limited to:

(a) Designation of a responsible Grievance Committee with appropriate clinical expertise.

(b) Two levels of review for the resolution of grievances. The time frame for these reviews shall be based on the nature of the grievance and the immediacy or urgency of the health care needs of the Medicaid recipient.

(c) The primary entry level for complaints shall be a designated responsible representative of each Primary Contractor.

(d) Resolution of grievances of an immediate or urgent nature (life threatening situations, perceived harm, etc.) shall not exceed a forty-eight hour review within the Primary Contractor's review process, which includes subcontractor's review. The Grievance Committee's decision shall be binding unless the Medicaid recipient files a written appeal.

(e) If the Medicaid recipient is not satisfied with the findings of the Grievance Committee, the Medicaid recipient may appeal to the Medicaid Agency for an administrative fair hearing.

(f) All grievances shall be maintained in a log as specified in the Maternity Care Program (MCP) Operational Manual.

(2) Handling of Grievance and Appeals. The Primary Contractor must dispose of each grievance and resolve each appeal, and provide notice, as expeditiously as the enrollee's health condition requires, within State established timeframes and as specified in CFR 438.408, 438.410, 438.416, 438.420 and 438.424, including but not limited to:

(a) General Requirements. In handling grievances and appeals, the following requirements must be met:

1. Give enrollees any reasonable assistance in completing forms and taking other procedural steps. This includes, but is not limited to, providing numbers that have adequate TTY/TTD and interpreter capability.

2. Acknowledge receipt of each grievance and appeal.

3. Ensure that the individuals who make decisions on grievances and appeals are individuals-

(i) Who were not involved in any previous level of review or decision making; and

(ii) Who, if deciding any of the following, are health care professionals who have the appropriate clinical expertise, as determined by the State, in treating the enrollee's condition or disease.

(I) An appeal of a denial that is based on lack of medical necessity.

(II) A grievance regarding denial of expedited resolution of an appeal.

(III) A grievance or appeal that involves clinical issues.

(b) Special requirements for appeals. The process for appeals must:

1. Provide that oral inquiries seeking to appeal an action are treated as appeals (to establish the earliest possible filing date for the appeal) and must

be confirmed in writing, unless the enrollee or the provider requests expedited resolution.

2. Provide the enrollee a reasonable opportunity to present evidence, and allegations of fact or law, in person as well as in writing. (The Primary Contractor must inform the enrollee of the limited time available for this in the case of expedited resolution.)

3. Provide the enrollee and his or her representative opportunity, before and during the appeals process, to examine the enrollee's case file, including medical records, and any other documents and records considered during the appeals process.

4. Include, as parties to the appeal-

(i) The enrollee and his or her representative; or

(ii) The legal representative of a deceased enrollee's estate.

(3) Service Authorizations and Notice of Action

(a) An action is defined as the Primary Contractor

1. denying or limiting authorization of a requested service including the type or level of service;

2. reduction, suspension or termination of a previously authorized service;

3. the denial, in whole or part, of payment for a service;

4. the failure to provide services in a timely manner;

5. the failure to act within specified timeframes

(b) Adverse actions taken by the Primary Contractor must meet the requirements of 42 CFR 438.10, 438.12, 438.404 and 438.210-214.

(c) A service authorization is defined as an enrollee's request for the provision of a service.

(d) Authorization of services. For the processing of requests for initial and continuing authorizations of services, each contract must meet the requirements of 42 CFR 438.210.

(3) Primary Contractors shall have a structured and active Quality Assurance Committee, which shall:

(a) Be composed of, at a minimum, Program Director or designee, a board certified OB/GYN physician, a registered nurse with obstetrical experience, a licensed social worker, and hospital representation

(b) Meet at least quarterly, but more often as needed, to demonstrate that the Committee is following up on all findings and required actions

(c) Operates under the following parameters:

1. Information shall be treated as confidential in accordance with Medicaid rules and regulations and HIPAA - Health Insurance Portability and Accountability Act standards;

2. Committee shall identify actual and potential problems;

3. Committee shall develop appropriate recommendations for corrective action;

4. Committee shall perform follow-up on the

recommendations to assure implementation of actions and continued monitoring, if necessary;

5. Committee shall collect data and analyze data;
6. Committee shall include utilization in quality assurance activities;
7. Committee shall include grievances in quality assurance activities;
8. Committee shall document all activities

(4) Each Primary Contractor shall have a written Quality Assurance (QA) Program description including:

(a) A scope of work which addresses both the quality and clinical care as well as non-clinical care.

(b) A written Quality Management plan which documents activities including: policies/procedures for performing chart reviews, utilization of provider and enrollee surveys, policies and procedures for analysis of data, procedures for analysis of administrative data and procedures for implementation of corrective action.

(c) A methodology for measurement which includes all demographic groups.

(d) Continuous performance of the activities to be tracked and the timeframes for reporting

(e) Feedback to health professionals regarding performance and patient results.

(f) Identification of individuals/organizations responsible for implementation of the QA plan.

(g) Identification of relevant and measurable standards of care (minimum requirements are contained in the MCP Operational Manual).

(h) Demonstration of measurable improvement of services being received through benchmarks (minimum requirements) are contained in the MCP Operational Manual).

(5) The Primary Contractor shall include in all subcontractor contracts and employment agreements a requirement securing cooperation with the Quality Assurance Program including access to records and responsible parties.

(6) Beneficiary survey results must be made available to the State upon request.
