State: ALABAMA SECTION 4 - GENERAL PROGRAM ADMINISTRATION

4.5 Medicaid Recovery Audit Contractor Program

<u>Citation</u>		
Section 1902(a)(42)(B)(i) of the Social Security Act	_	The State has established a program under which it will contract with one or more recovery audit contractors (RACs) for the purpose of identifying underpayments and overpayments of Medicaid claims under the State plan and under any waiver of the State plan.
	X	The State is seeking an exception to establishing such program for the following reasons:
		The State is seeking an exception to 42 CFR §455.502(b), the Medicaid Recovery Audit Contractor (RAC) program. The State did not procure a vendor in response to the Medicaid RAC Services Request for Proposals issued on June 1, 2017, August 7, 2019, and May 6, 2022. Alabama believes that potential bidders are not bidding on the Request for Proposal because RACs are paid on a contingency fee basis, and it does not appear to be enough of an incentive to take on the RAC contract.
Section 1902(a)(42)(B)(ii)(I) of the Act		The State/Medicaid agency has contracts of the type(s) listed in section 1902(a)(42)(B)(ii)(I) of the Act. All contracts meet the requirements of the statute. RACs are consistent with the statute.
Section 1902 (a)(42)(B)(ii)(II)(aa)	Place	a check mark to provide assurance of the following:
of the Act		The State will make payments to the RAC(s) only from amounts recovered.
		The State will make payments to the RAC(s) on a contingent basis for collecting overpayments.
		The following payment methodology shall be used to determine State payments to Medicaid RACs for recovered overpayments (e.g., the percentage of the contingency fee):
Section 1902 (a)(42)(B)(ii)(II)(bb) of the Act		The State attests that if the contingency fee rate paid to the Medicaid RAC will exceed the highest rate paid to Medicare RACs, as published in the Federal Register, the State will only submit for

		Page 36.2
		FFP up to the amount equivalent to that published rate.
	<u>N/A</u>	The following payment methodology shall be used to determine State payments to Medicaid RACs for underpayments:
	<u>N/A</u>	The State will submit a justification seeking to pay the Medicaid RAC(s) a contingency fee higher than the highest contingency fee rate paid to Medicare RACs as published in the Federal Register.
Section 1902 (a)(42)(B)(ii)(III) of the Act	<u>N/A</u>	The State has an adequate appeal process in place for entities to appeal any adverse determination made by the Medicaid RAC(s).
Section 1902 (a)(42)(B)(ii)(IV)(aa) of the Act	<u>N/A</u>	The State assures that the amounts expended by the State to carry out the program will be amounts expended as necessary for the proper and efficient administration of the State plan or a waiver of the plan.
Section 1902 (a)(42)(B)(ii)(IV)(bb) of the Act	<u>N/A</u>	The State assures that the recovered amounts will be subject to a State's quarterly expenditure estimates and funding of the State's share.
Section 1902 (a)(42)(B)(ii)(IV)(cc) of the Act	<u>N/A</u>	Efforts of the Medicaid RAC(s) will be coordinated with other contractors or entities performing audits of entities receiving payments under the State plan or waiver in the State, and/or State and Federal law enforcement entities and the CMS Medicaid Integrity Program.
