RE: National Changes for Office Visit Procedure Codes

All providers are encouraged to review the upcoming changes for Evaluation and Management (E&M) Procedure Codes. The procedure code range 99201-99215 is being affected by these changes.

These revisions are from the American Medical Association (AMA) and the Centers for Medicare & Medicaid Services (CMS) and will be effective January 1, 2021.

For national information, please visit the links below:
