RE: Reminder of Patient-Centered Medical Home (PCMH) Recognition Attestation Deadline

The Alabama Medicaid Agency would like to remind Alabama Coordinated Health Network (ACHN) Primary Care Physician (PCP) groups of the following deadline:

- PCMH recognition attestation for fiscal year 2023 is due no later than October 1, 2022. Interested PCP groups are recommended to begin their PCMH recognition certification now to avoid missing the October 1st deadline.
- **ALL** PCP groups, regardless of the certifying entity from which the PCP group obtained their PCMH recognition, must attest to the Alabama Medicaid Agency by the specified deadline. The Agency **will not** receive a certified entity listing from any of the PCMH certifying entities to verify a PCP groups' certification status.
- **Please Note: Upon receipt of FY 2023 attestation forms along with supporting documentation, providers will receive a confirmation email followed by a formal confirmation letter via regular mail prior to the October 1st deadline.**

For additional information on the PCMH recognition attestation process, refer to the *Fiscal Year (FY) 2023 (October 1, 2022- September 30, 2023) Patient-Centered Medical Home (PCMH) Attestation ALERT* dated January 28, 2022 at https://medicaid.alabama.gov/alert_detail.aspx?ID=15736.
