**RE: Billing for Items and Services in Connection with Dental Care Provided**

Effective for dates of service on and after November 1, 2023, the Alabama Medicaid Agency (Medicaid) will reimburse for **G0330** - facility services for dental rehabilitation procedures. Hospitals should use **G0330** to bill for the use of an operating room, items, and services in connection with dental care provided in a hospital setting. Medicaid will reimburse G0330 at \$1,205.70.

Hospitals should discontinue submitting claims for **D9420** (hospital or ambulatory surgical center call) for dates of service after October 31, 2023.

A prior authorization is not required for **G0330**. Claims are subject to post-payment reviews.

Providers with billing questions should contact the Gainwell Technologies Provider Assistance Center at 1-800-688-7989.
