RE: Coverage Addition for Practitioners (CRNPs and PAs)

Effective for dates of service on or after April 1, 2024, the Alabama Medicaid Agency (Medicaid) has updated the claims processing system to allow practitioners (CRNPs and PAs) to file claims for non-operative orthopedic fracture treatments in an office setting using the procedure codes listed below:

Practitioner Procedure Code Additions								
25500	25624	26641	26770	27265	27530	27788	28430	28630
25505	25630	26645	27200	27500	27532	27810	28435	28660
25520	25635	26670	27220	27501	27538	27816	28450	
25530	25650	26700	27222	27502	27550	27818	28455	
25535	25660	26705	27230	27503	27560	27824	28470	
25560	25675	26725	27232	27508	27750	27825	28475	
25565	25680	26740	27238	27510	27752	27830	28490	
25600	25690	26742	27240	27516	27780	27840	28495	
25605	26600	26750	27246	27517	27781	28400	28510	
25622	26605	26755	27250	27520	27786	28405	28530	

These procedure codes are also found on the Practitioner Fee Schedule located at https://medicaid.alabama.gov/content/Gated/7.3G_Fee_Schedules.aspx.

For billing questions, call the Gainwell Technologies Provider Assistance Center at 1-800-688-7989. For policy questions, email Medicaid's Physician Program at Physicians.Program@medicaid.alabama.gov.
