RE: Reminder about Maternity Medicaid Eligibility

The Alabama Medicaid Agency (Medicaid) provides full Medicaid benefits for eligible pregnant individuals during pregnancy and 12 months postpartum. Medicaid **does not** require positive confirmatory pregnancy testing for maternity Medicaid coverage.

Pregnant individuals may apply for Medicaid programs using the single streamlined Medicaid application.

- **Online application** (fast service) at <https://insurealabama.adph.state.al.us/>
- **Paper application** (mailed to Medicaid)
- **Phone application** by calling the Recipient Call Center at 1-800-362-1504 (toll-free), Monday through Friday, 8:00 a.m. until 4:30 p.m.
- **In-person application** at local county health department, federally qualified health care center (FQHC), regional Alabama Coordinated Health Network (ACHN), or some local hospitals

For questions related to maternity Medicaid eligibility, providers may contact Gainwell Technologies at 1-800-688-7989.
