**TO: ACHN Participating PCP Groups**

**RE: Reminder of Patient-Centered Medical Home (PCMH) Recognition Attestation Deadline**

The Alabama Medicaid Agency (Medicaid) would like to remind Alabama Coordinated Health Network (ACHN) Primary Care Physician (PCP) groups of the following deadline:

- PCMH recognition attestation for Fiscal Year (FY) 2026 is due no later than October 1, 2025. Interested PCP groups are recommended to begin their PCMH recognition certification now to avoid missing the October 1<sup>st</sup> deadline.
- **ALL** PCP groups, regardless of the certifying entity from which the PCP group obtained their PCMH recognition, must attest by the specified deadline. Medicaid **will not** receive a certified entity listing from any of the PCMH certifying entities to verify a PCP group's certification status.
- **Please Note: Upon receipt of FY 2026 attestation forms and supporting documentation, providers will receive a confirmation email followed by a formal confirmation letter via regular mail prior to the October 1<sup>st</sup> deadline.**

For additional information on the PCMH recognition attestation process, refer to the [FY 2026 \(October 1, 2025-September 30, 2026\) Patient-Centered Medical Home \(PCMH\) Attestation ALERT](#).

For submissions, and/or questions related to the PCMH attestation process, contact [ACHN@medicaid.alabama.gov](mailto:ACHN@medicaid.alabama.gov).
