**RE: Prior Authorization Management**

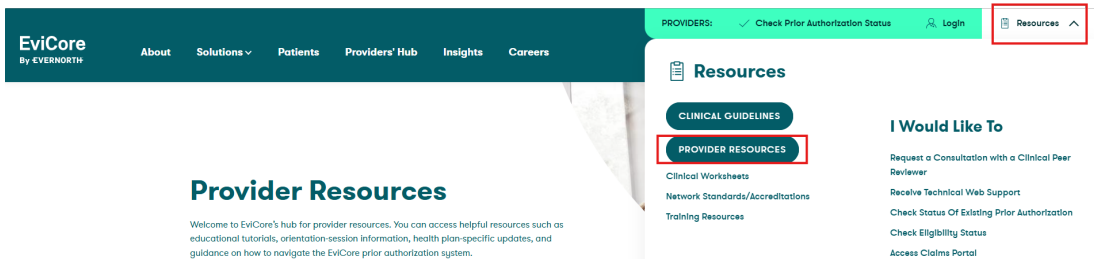

EviCore by Evernorth currently maintains prior authorization management on two platforms, MedSolutions and CareCore National. Alabama Medicaid Radiology requests have been historically managed on the MedSolutions platform.

Effective October 1, 2025, Alabama Medicaid Radiology authorizations will be managed on the legacy CareCore National Portal. Authorizations built prior to October 1, 2025 on the MedSolutions Portal will remain there for reference.

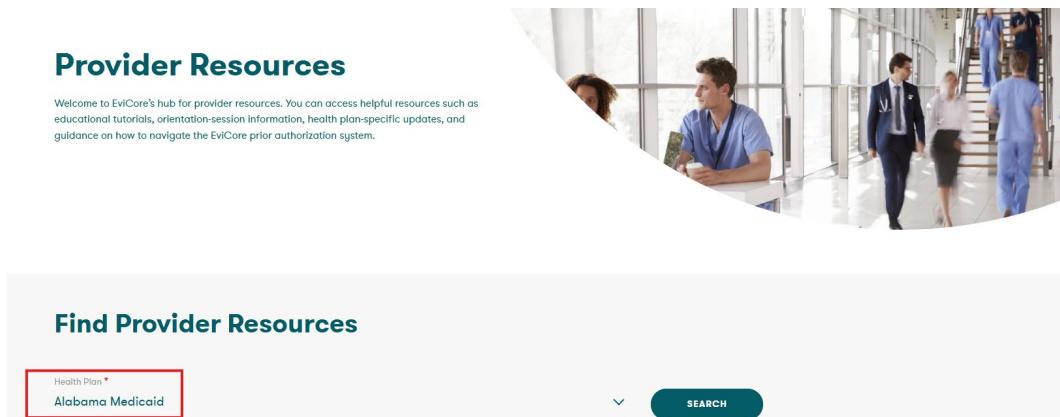

If you have any questions regarding the EviCore by Evernorth web portal, please email the Web Support team at [portal.support@evicore.com](mailto:portal.support@evicore.com) or call (800) 646-0418 (Option 2).
