

Change to the Alabama Medicaid 1095-B Form Process

March 16, 2022

A law changed and now most people do not need proof of Medicaid coverage to file their taxes. Therefore, Alabama Medicaid will not mail a 1095-B form to recipients this year.

If you still need a 1095-B form, you can ask for it by phone, email, or mail.

Phone: 1-844-366-7996 (toll free)

Email: alrcchelp@ainwelltechnologies.com

Mail requests to: Gainwell Technologies, P.O. Box 244032, Montgomery, AL 36124-4032, ATTN: RCC.

Please provide your first and last name, Medicaid ID number, current mailing address that is on file, and/or new address.

Medicaid can only send a 1095-B form to people who had full Medicaid or pregnancy Medicaid in the past five years.
