

MISSION:

To promote availability of quality and innovative health care for Alabamians through the efficient financing of services.

VISION:

To play a key leadership role in ensuring availability and access to appropriate health care for all Alabamians.

VALUES:

- Respect
We are a caring organization that treats each individual with dignity, empathy, and honesty.
- Integrity
Our stakeholders can depend on the quality, trustworthiness, and reliability of our Agency's employees and representatives.
- Excellence
We are committed to maximizing our resources to ensure the residents of Alabama have access to quality health care.
- Teamwork
Our success depends upon establishing and maintaining effective collaborative partnerships.
- Innovation
We willingly embrace new ideas and new ways of doing things to effectively meet a changing health care environment.
