I. Introduction

A. Background

The Alabama Medicaid Agency is requesting proposals from vendors with expertise for a plan to conduct Mid-Point Assessments and Summative Evaluation Report of the demonstration, in accordance with CMS-identified metrics and applicable guidance, which will support tracking Alabama’s statewide progress towards its demonstration milestones and goals and identifying any necessary mitigation strategies.

B. Purpose

The purpose of the RFP for the Serious Mental Illness Waiver is to be consistent with CMS’s Special Terms and Conditions (STCs) of the 1115 demonstration waiver. Upon approval of the demonstration, the state must arrange with an independent party to conduct an evaluation of the demonstration to ensure that the necessary data is collected at the level of detail needed to research the approved hypotheses. The state must require the independent party to sign an agreement that the independent party will conduct the demonstration evaluation in an independent manner in accordance with the CMS-approved draft Evaluation Design. CMS’s approval of this demonstration project is conditioned upon compliance with the Serious Mental Illness (SMI) Waiver and expenditure authorities and the STCs defining the nature, character, and extent of anticipated federal involvement in the demonstration.

Services required are outlined through this Request for Proposal (RFP). The Vendor will be required by the State to operate under all provisions of the Omnibus Budget Reconciliation Act (OBRA) 1990, the Social Security Act, and all applicable state and federal laws. State regulatory authority is derived from Alabama Act No. 2003-297 and Alabama Medicaid Agency Administrative Code Chapter Five.

The selected Vendor to whom the contract is awarded shall be responsible for the performance of all duties contained within this RFP for the firm and fixed price quoted in the Vendor’s proposal to this RFP. All proposals must state a firm and fixed price for the services described. All information and amendments contained in this RFP reflect the best and most accurate information available to Medicaid at the time of the RFP preparation. No inaccuracies in such data shall constitute a basis for change of the payments to the Vendor or a basis for legal recovery of damages, actual, consequential, or punitive.

**A. Authority**

This RFP is issued under the authority of Section 41-16-72 of the Alabama Code and 45 CFR part 75. The RFP process is a procurement option allowing the award to be based on stated evaluation criteria. The RFP states the relative importance of all evaluation criteria. No other evaluation criteria, other than as outlined in the RFP, will be used.

In accordance with 45 CFR part 75, the State encourages free and open competition among Vendors. Whenever possible, the State will design specifications, proposal requests, and conditions to accomplish this objective, consistent with the necessity to satisfy the State’s need to procure technically sound, cost-effective services and supplies.

**C. Documentation**

All documents and updates to the RFP including, but not limited to, the actual RFP, questions and answers, addenda, etc., will be posted to the Agency’s website at www.medicaid.alabama.gov.
D. Questions Regarding the RFP

Vendors with questions requiring clarification or interpretation of any section within this RFP must submit questions and receive formal, written replies from the State. Each question must be submitted to the Project Director via email. Questions and answers will be posted on the website as available.

E. Acceptance of Standard Terms and Conditions

Vendor must submit a statement stating that the Vendor has an understanding of and will comply with the terms and conditions as set out in this RFP. Additions or exceptions to the standard terms and conditions are not allowed.

F. Adherence to Specifications and Requirements

Vendor must submit a statement stating that the Vendor has an understanding of and will comply with the specifications and requirements described in this RFP.

G. Order of Precedence

In the event of inconsistencies or contradictions between language contained in the RFP and a Vendor’s response, the language contained in the RFP will prevail. Should the State issue addenda to the original RFP, then said addenda, being more recently issued, would prevail against both the original RFP and the Vendor's proposal in the event of an inconsistency, ambiguity, or conflict.

H. Vendor’s Signature

The proposal must be accompanied by the RFP Cover Sheet signed in ink by an individual authorized to legally bind the Vendor. The Vendor’s signature on a proposal in response to this RFP guarantees that the offer has been established without collusion and without effort to preclude the State from obtaining the best possible supply or service. Proof of authority of the person signing the RFP response must be furnished upon request.

I. Offer in Effect for 90 Days

A proposal may not be modified, withdrawn or canceled by the Vendor for a 90-day period following the deadline for proposal submission as defined in the Schedule of Events, or receipt of best and final offer, if required, and Vendor so agrees in submitting the proposal.

J. State Not Responsible for Preparation Costs

The costs for developing and delivering responses to this RFP and any subsequent presentations of the proposal as requested by the State are entirely the responsibility of the Vendor. The State is not liable for any expense incurred by the Vendor in the preparation and presentation of their proposal or any other costs incurred by the Vendor prior to execution of a contract.

K. State’s Rights Reserved

While the State has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the State to award and execute a contract. Upon a determination such actions would be in its best interest, the State, in its sole discretion, reserves the right to:

• Cancel or terminate this RFP;
• Reject any or all of the proposals submitted in response to this RFP;
• Change its decision with respect to the selection and to select another proposal;
• Waive any minor irregularity in an otherwise valid proposal which would not jeopardize the overall program and to award a contract on the basis of such a waiver (minor irregularities are those which will not have a significant adverse effect on overall project cost or performance);
• Negotiate with any Vendor whose proposal is within the competitive range with respect to technical plan and cost;
• Adopt to its use all, or any part, of a Vendor’s proposal and to use any idea or all ideas presented in a proposal;
• Amend the RFP (amendments to the RFP will be made by written addendum issued by the State and will be posted on the RFP website);
• Not award any contract.

L. Price

Vendors must respond to this RFP by utilizing the RFP Cover Sheet to indicate the firm and fixed price for the implementation and updating/operation phase to complete the scope of work.

M. E-Verify Memorandum of Understanding

The proposal response must include an E-Verify Memorandum of Understanding with the Department of Homeland Security.

N. Proposal Format

Proposals must be prepared on standard 8½” x 11” paper and must be bound. All proposal pages must be numbered unless specified otherwise. All responses, as well as, any reference material presented, must be written in English.

Proposals must not include references to information located elsewhere, such as Internet websites. Information or materials presented by the Vendor outside the formal response or subsequent discussion/negotiation, if requested, will not be considered, and will have no bearing on any award.

This RFP and its attachments are available on Medicaid’s website. The Vendor acknowledges and accepts full responsibility to ensure that no changes are made to the RFP. In the event of inconsistencies or contradictions between language contained in the RFP and a Vendor’s response, the language contained in the RFP will prevail. Should Medicaid issue addenda to the original RFP, then said addenda, being more recently issued, would prevail against both the original RFP and the Vendor’s proposal.

O. Proposal Withdrawal

The Vendor may withdraw a submitted proposal at any time before the deadline for submission. To withdraw a proposal, the Vendor must submit a written request, signed by a Vendor’s representative authorized to sign the resulting contract, to the RFP Project Director. After withdrawing a previously
submitted proposal, the Vendor may submit another proposal at any time up to the deadline for submitting proposals.

**P. Proposal Amendment**

Medicaid will not accept any amendments, revisions, or alterations to proposals after the deadline for submitting proposals unless such is formally requested, in writing, by Medicaid.

**Q. Proposal Errors**

The Vendor is liable for all errors or omissions contained in their proposals. The Vendor will not be allowed to alter proposal documents after the deadline for submitting proposals. If the Vendor needs to change a previously submitted proposal, the Vendor must withdraw the entire proposal and may submit the corrected proposal before the deadline for submitting proposals.

**R. Disclosure of Proposal Contents**

Proposals and supporting documents are kept confidential until the evaluation process is complete and a Vendor has been selected. The Vendor should be aware that any information in a proposal may be subject to disclosure and/or reproduction under Alabama law. Designation as proprietary or confidential may not protect any materials included within the proposal from disclosure if required by law. The Vendor should mark or otherwise designate any material that it feels is proprietary or otherwise confidential by labeling the page as “CONFIDENTIAL”. The Vendor must also state any legal authority as to why that material should not be subject to public disclosure under Alabama open records law and is marked as Proprietary Information. By way of illustration but not limitation, “Proprietary Information” may include trade secrets, inventions, mask works, ideas, processes, formulas, source and object codes, data, programs, other works of authorship, know-how, improvements, discoveries, developments, designs and techniques.

Information contained in the Pricing Section may not be marked confidential. It is the sole responsibility of the Vendor to indicate information that is to remain confidential. Medicaid assumes no liability for the disclosure of information not identified by the Vendor as confidential. If the Vendor identifies its entire proposal as confidential, Medicaid may deem the proposal as non-compliant and may reject it.

**S. Submission of Proposals**

Proposals must be sealed and labeled on the outside of the package to clearly indicate that they are in response to 2022-SMI-01. Proposals must be sent to the attention of the Project Director and received at the Agency as specified in the Schedule of Events. It is the responsibility of the Vendor to ensure receipt of the Proposal by the deadline specified in the Schedule of Events.

**T. Copies Required**

Vendors must submit one original Proposal with original signatures in ink, one additional hard copy in binder form, plus two electronic copies of the Proposal on CD/DVD or jump drive clearly labeled with the Vendor name. One electronic copy (Word and searchable PDF format) MUST be a complete version of the Vendor’s response and the second electronic (searchable PDF format) copy MUST
have any information asserted as confidential or proprietary removed. Vendor must identify the original hard copy clearly on the outside of the proposal.

U. Late Proposals

Regardless of cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be the Vendor’s sole risk to assure delivery at the Agency by the designated deadline. Late proposals will not be opened and may be returned to the Vendor at the expense of the Vendor or destroyed if requested.

V. Proposal Clarifications

The Agency reserves the right to request clarifications with any or all Vendors if they are necessary to properly clarify compliance with the requirements of this RFP. The Agency will not be liable for any costs associated with such clarifications. The purpose of any such clarifications will be to ensure full understanding of the proposal. Clarifications will be limited to specific sections of the proposal identified by Medicaid. If clarifications are requested, the Vendor must put such clarifications in writing within the specified time frame.

VII. Evaluation and Selection Process

A. Initial Classification of Proposals as Responsive or Non-responsive

All proposals will initially be classified as either “responsive” or “non-responsive.” Proposals may be found non-responsive at any time during the evaluation process or contract negotiation if any of the required information is not provided; or the proposal is not within the plans and specifications described and required in the RFP. If a proposal is found to be non-responsive, it will not be considered further.

Proposals failing to demonstrate that the Vendor meets the mandatory requirements listed in Appendix A will be deemed non-responsive and not considered further in the evaluation process (and thereby rejected).

B. Determination of Responsibility

The Project Director will determine whether a Vendor has met the standards of responsibility. In determining responsibility, the Project Director may consider factors such as, but not limited to, the vendor’s specialized expertise, ability to perform the work, experience and past performance. Such a determination may be made at any time during the evaluation process and through contract negotiation if information surfaces that would result in a determination of non-responsibility. If a Vendor is found non-responsible, a written determination will be made a part of the procurement file and mailed to the affected Vendor.

C. Opportunity for Additional Information

The State reserves the right to contact any Vendor submitting a proposal for the purpose of clarifying issues in that Vendor’s proposal. Vendors should clearly designate in their proposal a point-of-contact for questions or issues that arise in the State’s review of a Vendor’s proposal.
D. Evaluation Committee

An Evaluation Committee appointed by the Project Director will read the proposals, conduct corporate and personal reference checks, score the proposals, and make a written recommendation to the Commissioner of the Alabama Medicaid Agency. The State may change the size or composition of the committee during the review in response to exigent circumstances.

E. Scoring

The Evaluation Committee will score the proposals using the scoring system shown in the table below. The highest score that can be awarded to any proposal is 100 points.

F. Determination of Successful Proposal

The Vendor whose proposal is determined to be in the best interest of the State will be recommended as the successful Contractor. The Project Director will forward this Vendor’s proposal through the supervisory chain to the Commissioner, with documentation to justify the Committee’s recommendation.

When the final approval is received, the State will notify the selected Vendor. If the State rejects all proposals, it will notify all Vendors. The State will post the award on the Agency website at www.medicaid.alabama.gov. The award will be posted under the applicable RFP number.

If Medicaid, in its sole discretion, deems at any time during the term of the contract that monies lawfully applicable to this agreement shall not be available for the remainder of the term, Medicaid shall promptly notify Contractor to that effect, whereupon the obligations of the parties hereto shall end as of the date of the receipt of such notice and the contract shall at such time be cancelled without penalty to Medicaid, State or Federal Government.

The termination shall be effective as of the date specified in the notice. In such event, Contractor will be entitled only

work, or for anticipated profit, unabsorbed overhead, or any other costs.

U. Immigration Compliance

Contractor will not knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Contractor further agrees that, should it employ or contract with any subcontractor(s) in connection with the performance of the services pursuant to this contract that the Contractor will secure from such subcontractor documentation that subcontractor is enrolled in the E-Verify program prior to performing any work on the project. The subcontractor shall verify every employee that is required to be verified according to the applicable federal rules and regulations. This subsection shall only apply to subcontractors performing work on a project subject to the provisions of this section and not to collateral persons or business entities hired by the subcontractor. Contractor shall maintain the subcontractor documentation that shall be available upon request by the Alabama Medicaid Agency.

Pursuant to Ala. Code §31-13-9(k), by signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the state of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.

Failure to comply with these requirements may result in termination of the agreement or subcontract.

V. Share of Contract

No official or employee of the State of Alabama shall be admitted to any share of the contract or to any benefit that may arise there from.

W. Waivers

No covenant, condition, duty, obligation, or undertaking contained in or made a part of the contract shall be waived except by written agreement of the parties.

For breach of this warranty, Medicaid shall have the right to terminate the contract without liability.
Y. Novation

In the event of a change in the corporate or company ownership of Contractor, Medicaid shall retain the right to continue the contract with the new owner or terminate the contract. The new corporate or company entity must agree to the terms of the original contract and any amendments thereto. During the interim between legal recognition of the new entity and Medicaid execution of the novation agreement, a valid contract shall continue to exist between Medicaid and the original Contractor. When, to Medicaid’s satisfaction, sufficient evidence has been presented of the new owner’s ability to perform under the terms of the contract, Medicaid may approve the new owner and a novation agreement shall be executed.

Z. Employment Basis

It is expressly understood and agreed that Medicaid enters into this agreement with Contractor and any subcontractor as authorized under the provisions of this contract as an independent Contractor on a purchase of service basis and not on an employer-employee basis and not subject to State Merit System law.

AA. Disputes and Litigation

Except in those cases where the proposal response exceeds the requirements of the RFP, any conflict between the response of Contractor and the RFP shall be controlled by the provisions of the RFP. Any dispute concerning a question of fact arising under the contract which is not disposed of by agreement shall be decided by the Commissioner of Medicaid.

The Contractor’s sole remedy for the settlement of any and all disputes arising under the terms of this contract shall be limited to the filing of a claim with the board of Adjustment for the State of Alabama. Pending a final decision of a dispute hereunder, the Contractor must proceed diligently with the performance of the contract in accordance with the disputed decision.

In the event of any dispute between the parties, senior officials of both parties shall meet and engage in a good faith attempt to resolve the dispute. Should that effort fail, and the dispute involves the payment of money, a party’s sole remedy is the filing of a claim with the Board of Adjustment of the State of Alabama.

For any and all other disputes arising under the terms of this contract which are not resolved by negotiation, the parties agree to utilize appropriate forms of non-binding alternative dispute resolution including, but not limited to, mediation. Such dispute resolution shall occur in Montgomery, Alabama, utilizing where appropriate, mediators selected from the roster of mediators maintained by the Center For Dispute Resolution of the Alabama State Bar.

Any litigation brought by Medicaid or Contractor regarding any provision of the contract shall be brought in either the Circuit Court of Montgomery County, Alabama, or the United States District Court for the Middle District of Alabama, Northern Division, according to the jurisdictions of these courts. This provision shall not be deemed an attempt to confer any jurisdiction on these courts which they do not by law have, but is a stipulation and agreement as to forum and venue only.
BB. Records Retention and Storage

Contractor shall maintain financial records, supporting documents, statistical records, and all other records pertinent to the Alabama Medicaid Program for a period of three years from the date of the final payment made by Medicaid to Contractor under the contract. However, if audit, litigation, or other legal action by or on behalf of the State or Federal Government has begun but is not completed at the end of the three-year period, or if audit findings, litigation, or other legal action have not been resolved at the end of the three-year period, the records shall be retained until resolution.

CC. Inspection of Records

Contractor agrees that representatives of the Comptroller General, HHS, the General Accounting Office, the Alabama Department of Examiners of Public Accounts, and Medicaid and their authorized representatives shall have the right during business hours to inspect and copy Contractor’s books and records pertaining to contract performance and costs thereof. Contractor shall cooperate fully with requests from any of the agencies listed above and shall furnish free of charge copies of all requested records. Contractor may require that a receipt be given for any original record removed from Contractor’s premises.

DD. Use of Federal Cost Principles

For any terms of the contract which allow reimbursement for the cost of procuring goods, materials, supplies, equipment, or services, such procurement shall be made on a competitive basis (including the use of competitive bidding procedures) where practicable, and reimbursement for such cost under the contract shall be in accordance with 48 CFR, Chapter 1, Part 31. Instructions for Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion

(Derived from Appendix B to 45 CFR Part 76—Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions)

1. By signing and submitting this contract, the prospective lower tier participant is providing the certification set out therein.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this contract was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Alabama Medicaid Agency (the Agency) may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the Agency if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, and voluntarily excluded, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this contract is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this contract that, should the contract be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this contract that it will include this certification clause without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the Agency may pursue available remedies, including suspension and/or debarment.
