

Promoting Interoperability Program Updates for Program Year 2021

The Alabama Medicaid Promoting Interoperability (PI) Program is gearing up for the **LAST** and **FINAL YEAR** of the PI Program and will soon begin accepting Program Year (PY) 2021 applications. It is our priority to create a smooth and hassle-free experience for our provider community by updating you with the following announcements:

- **The Alabama State Level Registry (SLR) is scheduled to open Thursday, July 1, 2021 at 8:00 a.m. CST to receive ONLY MU attestation enrollments for PY 2021. The enrollment close date is August 31, 2021 at 11:59 p.m. CST. All applications must be submitted by the enrollment close date. Due to the December 31, 2021 statutory deadline for issuing PY 2021 incentive payments, there will not be an extension of the above enrollment period.**

Security Risk Analysis (SRA) for Program Year 2021

Alabama Medicaid will allow providers to conduct and complete their PY 2021 SRA after the August 31, 2021 enrollment deadline date. Providers that elect to conduct and complete their PY 2021 SRA after the deadline date, must select the option in the SLR on the application page that they will complete their SRA after the attestation date and prior to December 31, 2021. Failure to select the applicable option will result in a recoupment of your PY 2021 incentive payment. SRAs completed after August 31, 2021 must be submitted to the State by December 31, 2021 at 11:59 p.m. CST. Your completed SRA can be uploaded to your PY 2021 attestation via the document upload link. **The State will not extend the deadline for submission of the SRA.**
