

Alabama Medicaid Vaccine Administration Information

Alabama Medicaid reimburses Medicaid-enrolled pharmacy providers for the administration of certain vaccines. Alabama Medicaid will also reimburse pharmacies for the vaccine (i.e., ingredient) that is administered. Claims for a vaccine and the administration of the vaccine will be submitted on the same claim.

Effective September 11, 2023, Alabama Medicaid will reimburse Medicaid-enrolled pharmacy providers for the administration and ingredient cost of the commercially distributed COVID vaccines. Effective October 1, 2023, Alabama Medicaid will reimburse Medicaid-enrolled pharmacy providers for the administration and ingredient cost of the Advisory Committee on Immunization Practices (ACIP) recommended vaccines for adults ages 19 and older. Claims may be retroactively billed to the effective date.

Instructions for submitting a pharmacy claim for a vaccine with the administration fee:

- Pharmacies should submit a claim for the vaccine (i.e., ingredient) with the appropriate NDC.
- Pharmacies should submit the administration fee in the **Incentive Amount Submitted** field (NCPDP Field 438-E3) on the same claim as the vaccine (i.e., ingredient).
- Effective October 1, 2024, A maximum reimbursement of \$8 is allowed for each vaccine administration. Only one dispensing fee (for the ingredient) and copay (if applicable) will be applied to the claim.
- For a list of ACIP recommended vaccines please visit:
https://www.cdc.gov/acip-recs/hcp/vaccine-specific/?CDC_AAref_Val=https://www.cdc.gov/vaccines/hcp/acip-recs/index.html
- A prescription (or standing order) is required for each vaccine and administration to be retained on file for documentation purposes.
- There is a maximum quantity for each vaccine administered of 1 injection per recipient within a timeframe in accordance with the CDC dosing regimen.
- Claims for the administration fee only with no vaccine/ingredient will be denied.
- To facilitate coordination of care, Pharmacy providers are required to inform (via phone, fax, email, or mail) each recipient's PMP upon administration of any vaccines for which an administration claim is submitted. Documentation must be kept on file at the pharmacy of the notification to the PMP. If the PMP is unknown, the pharmacy may call the Alabama Medicaid Automated Voice Response System (AVRS) at 1-800- 727-7848 to obtain the PMP information. Pharmacy providers may also notify the recipient's local Alabama Coordinated Health Network (ACHN) region to assist with finding a PMP; ACHN contact information can be located on the Agency website under Contacts/ACHN Contacts. A suggested Immunization Provider Notification Letter, which can be used to notify the PMP, can be found on the Agency website under Pharmacy/Vaccines.
- State and federal laws and regulations should be followed regarding the dispensing and administration of legend drugs/vaccines as well as products granted under Emergency Use Authorization (EUA).
- Pharmacy providers with questions regarding vaccine administration may call the Alabama Medicaid Pharmacy Program at (334) 242-5050.
