

Alabama Medicaid Vaccine Administration Information

Alabama Medicaid reimburses Medicaid-enrolled pharmacy providers for the administration of certain vaccines. Alabama Medicaid will also reimburse pharmacies for the vaccines (i.e. ingredient) that is administered.

Effective October 15, 2019, Alabama Medicaid changed how Medicaid-enrolled pharmacy providers submit claims for vaccine administration for eligible recipients age 19 and older. Claims for a vaccine and the administration of the vaccine will be submitted on the same claim.

Instructions for submitting a pharmacy claim for a vaccine with the administration fee:

- Pharmacies should submit a claim for the vaccine (i.e. ingredient) with the appropriate NDC.
- Pharmacies should submit the administration fee in the **Incentive Amount Submitted** field (NCPDP Field 438-E3) on the same claim as the vaccine (i.e. ingredient).
- A maximum reimbursement of \$5 will be allowed for each vaccine administration. Only one dispensing fee (for the ingredient) and copay will be applied to the claim.
- Reimbursement of administration fees will be allowed for the following vaccines:
 - o influenza vaccine – ages 19 and up
 - o pneumococcal vaccine – ages 19 and up
 - o Tdap vaccine – ages 19 and up
 - o hepatitis A vaccine – ages 19 and up
 - o shingles vaccine – ages 50 and up
- A prescription is required for each vaccine and administration to be retained on file for documentation purposes.
- Claims for the administration fee only with no vaccine/ingredient will be denied.
- To facilitate coordination of care, Pharmacy providers are required to inform (via phone, fax, e-mail, or mail) each recipient's Primary Medical Provider (PMP) upon administration of the vaccine(s) for which an administration claim is submitted. Documentation of the notification to the PMP must be kept on file at the pharmacy. If the PMP is unknown, the pharmacy may call the Alabama Medicaid Automated Voice Response System (AVRS) system at 1-800-727-7848 to obtain the PMP information. A suggested Immunization Provider Notification Letter, which can be used to notify the PMP, can be found on the Agency website at https://medicaid.alabama.gov/documents/9.0_Resources/9.4_Forms_Library/9.4.13_Pharmacy_Services/9.4.13_PH_Immunization_Provider_Notification_Letter_2-1-19.pdf.
- Alabama State Board of Pharmacy law and regulation should be followed regarding dispensing and administration of legend drugs/vaccines.
