1	Reimbursement	I noticed preventative visits were scored higher than regular e/m visits. Does this mean Alabama Medicaid will start accepting preventative codes? Like 99395-99397? As of now these are not accepted."	<p>The agency has updated the reimbursement code list on the presentation, slide 46.</p> <p>Regular visits: CPT 99202-99205, 99211-99215 Preventative visits: CPT 99381-99385, 99391-99395.</p> <p>99396 and 99397 are not covered.</p>
