

Home and Community Based Waivers – 2020

Individuals who are elderly and/or disabled may qualify for home and community based services through one of these waiver programs. These services are to protect the health, safety, and dignity of those individuals who are at risk of institutional care and will allow them to receive full Medicaid coverage in addition to the services provided by the specific waiver in the community setting. Individuals who are disabled may first apply for SSI or disability benefits through the Social Security Administration in order to determine if they meet disability requirements. Aged or disabled individuals must meet the specific eligibility requirements for each waiver listed below to receive the waiver services.
