

**Rule No. 560-X-49-.01 General**

(1) Nurse practitioners who are certified by the appropriate national organization as a family nurse practitioner, pediatric nurse practitioner, women's health care practitioner, or neonatal nurse practitioner are eligible to participate in the Alabama Medicaid Program.

(2) A nurse practitioner who is employed by and reimbursed by a facility that receives reimbursement from the Alabama Medicaid Program for services provided by the nurse practitioner (i.e. hospital, rural health clinic, etc.) may not enroll, ~~since~~if their services are already being paid through that facility's cost report.
