(b) In the event that a recipient who resides in an area that has a freedom-of-choice waiver does not select an HMO, Medicaid will mandatorily assign that recipient to an HMO. In an area where only one HMO is operational under an approved 1115 waiver, the recipient will be required to select a PCP within the HMO's network or be assigned. This will be done according to a formula which meets the needs of the State and the recipients and which is communicated to all health plans in advance. This formula may consist of rotation among the HMOs. Medicaid will notify the HMO of the recipients mandatorily enrolled in their plan via computer compatible media. Recipients that have been mandatorily assigned will also be notified by Medicaid. Recipients are required to submit a written disenrollment request to the HMO with a reason documented in the patient file and on the monthly enrollment information. Disenrollment is effective the first day of the month following a full calendar month after receipt of the disenrollment on the monthly enrollment information.

(c) Unless otherwise specified in an approved waiver, an HMO may disenroll an enrollee whose behavior is disruptive, unruly, abusive, or uncooperative, and not caused by a medical condition, to the extent that his membership in the HMO seriously impairs the HMO's ability to furnish services to that enrollee or other members of the HMO. The HMO is required to provide at least one verbal and one written warning to the enrollee regarding the implication of his actions. No member can be involuntarily disenrolled without the prior written approval of Medicaid.

(d) Unacceptable reasons for an HMO to disenroll an enrollee include pre-existing medical conditions, changes in health status, and periodic missed appointments.

(e) Enrollees may be disenrolled for knowingly committing fraud or permitting abuse of their Medicaid card. Disenrollment of this nature must be promptly reported to Medicaid and must be prior authorized by Medicaid.

(f) The HMO's responsibility for all disenrollments includes supplying disenrollment forms to enrollees desiring to disenroll; ensuring that completed disenrollment forms are maintained in an identifiable enrollee record; ensuring that disenrollees who wish to file a grievance are afforded appropriate notice and opportunity to do so; and ensuring that disenrollees receive written notification of the effective date of and reason for disenrollment. HMOs must submit voluntary disenrollments on the first electronic submission sent to Medicaid after the request is received by the HMO.

(9) Marketing

(a) The Medicaid Agency may elect to enroll recipients through contracted enrollment vendors. If the State chooses to use vendors, HMOs will not be allowed to enroll or recruit patients through marketing representatives.

(b) The HMO shall submit the written marketing plan, procedures, and materials to Medicaid for approval prior to implementation. Enrollment of recipients may not begin until the marketing plan has been approved by Medicaid.

(d) Accurate, clear, readable, and concise information shall be made available to eligible recipients and providers in the area serviced by the HMO. Such information shall include, but not be limited to: covered services, location, telephone number, hours of service, enrollment, disenrollment, grievance procedures, and what to do in case of an emergency.

(e) No more than fifty percent (50%) of a marketing representative's total annual compensation, including salary, benefits, bonuses and commission, shall come from commissions.

(10) Grievance Procedures

(a) The HMO shall have a written internal grievance procedure that is approved by Medicaid.

(b) The HMO must have written procedures for prompt and effective resolution of written enrollee grievances.

(e) Each HMO must designate a senior executive to be responsible for QAP implementation and the Medical Director must have subsequent involvement in QAP activities.

(f) The QA Committee must have, as members HMO providers representative of the composition of all providers of service.

(g) The QAP must include provisions for credentialing and recredentialing of health care professionals who are licensed by the State.

(h) HMOs shall allow Medicaid's authorized representative, on an annual basis, to conduct an external independent quality review to analyze the quality of services furnished by the HMO to ensure adequate delivery of care. The results of the review shall be made available to Medicaid, and upon request, to the Secretary of HHS, the Inspector General, and the Comptroller General.

(12) Records

(a) An appropriate record system shall be maintained for all services (including ancillary services) provided to all enrollees. Such records shall be stored in a safe manner to prevent damage and unauthorized use. Records will be reasonably accessible for review.

(b) Entries on medical records shall be authenticated and written legibly in ink or typewritten.

(c) Records must contain all pertinent information relating to the medical management of each enrollee reflecting all aspects of patient care in a detailed, organized and comprehensive manner consistent with medical practice standards.

(b) The HMO will keep and make available to Medicaid, HHS, the Comptroller General, and their agents or authorized representatives, any of the HMO's records which are necessary to fully disclose and substantiate the nature, quality, cost, and extent of items and services provided to enrollees. The HMO shall maintain financial records, supporting documents, statistical records, and all other records pertinent to the Alabama Medicaid Program for a period of five years from the date of the last payment made by Medicaid to the HMO under this contract. Payment by the referring HMO for properly documented claims shall not exceed the maximum fee-for-service rates applicable for the provider for similar services rendered under the Alabama Medicaid Program, unless otherwise agreed upon by the HMO and the non-contract provider. No reimbursement shall be available directly from Medicaid for in-plan services provided by non-contract providers. If there is an FQHC in the geographical area being served by a HMO that contracts with one or more HMO's, an enrollee may elect to join the HMO contracting with the FQHC in order to receive the services offered by the FQHC. The entity provides physician services primarily through physicians who are employees or partners of the entity or physicians or groups of physicians (organized on a group or individual practice basis) under contract with the entity to provide physician services. The entity assumes full financial risk on a prospective basis for provision of health care services, but may obtain insurance or make other arrangements as specified in 42 C.F.R. §417.120 and .407. The entity must provide adequately against the risk of insolvency by meeting the fiscal and administrative requirements of 42 C.F.R. §417.120(a)(1)(i) through (a)(1)(iv) and 417.122(a).

approved Medicare risk contract with the Health Care Financing Administration for beneficiaries who enroll in a Medicare HMO or CMP for which Medicaid is responsible for payment of medical cost sharing. Medicare beneficiaries must receive Part A or Parts A&B coverage to be eligible for this program. This PMPM payment will cover, in full, any premiums or cost sharing required from the Medicare Plan. The PMPM payment will be established based on historical costs and negotiations.

(3) Medicare HMOs and CMPs may enroll with the Medicaid Agency to receive capitated payments for beneficiary premiums and cost sharing by executing a Memorandum Of Understanding with the Medicaid Agency. To enroll the following must be submitted to Medicaid:

- (a) A copy of HCFA approval for a Medicare risk contract to enroll Medicare beneficiaries;
- (b) A copy of the HMO or the CMP's member services handbook; and
- (c) A copy of Certificate of Authority (COA) from the Alabama Insurance Department and appropriate approvals for a material modification to a COA.

(4) All services covered by Medicare shall be covered by the HMO or CMP at no cost to the beneficiary. In addition, the HMO or CMP may offer additional services to the beneficiary (e.g. hearing exams, annual physical exam, eye exams, etc.). The HMO or CMP must notify the Alabama Medicaid Agency prior to adding additional services (identified by procedure code) available to the beneficiary through the Plan. Services covered directly by Medicaid which are not covered by Medicare are not included in the Plan.

(5) The beneficiary will be given freedom of choice in selecting a primary care provider through the Medicare HMO or CMP.

(6) The Medicare HMO or CMP is required to submit a monthly electronic enrollment listing to Medicaid in a format specified by Medicaid.

(3) Notice of Sanction. Before the Medicaid Agency imposes a sanction under this rule, it will give the affected Entity timely written notice explaining:

(a) the basis and nature of the sanction; and

(b) if applicable, the organization's right to request a fair hearing.

(4) Waiver of Fair Hearing and Reduction of Sanction. Except as otherwise required by applicable law, in the event of an imposed sanction in the form of a monetary penalty according to this rule, the amount of the sanction imposed will be reduced by thirty five percent (35%) if the Entity waives, in writing, its right to a fair hearing within thirty (30) calendar days from the date of notice imposing the sanction. The reduction under this section only applies to sanctions that could be appealed under this rule and not to any other outstanding sanctions imposed on the Entity by the Medicaid Agency.

(5) An Entity that has been sanctioned by the Medicaid Agency may request a fair hearing:

(a) An Entity's request for a fair hearing with the Medicaid Agency relating to the imposition of a sanction must be in writing and must be filed with the Medicaid Agency within thirty (30) calendar days of the date of the sanction notice. The written request shall include a statement of the factual and/or legal basis for the Entity's dispute or claim and a statement of the relief or action sought. The Medicaid Agency will not accept requests for fair hearings that are outside the filing deadline. The Entity may submit the written request for fair hearing to the Medicaid Agency by mail, hand-delivery, facsimile or electronic mail, and the request must be received by the Medicaid Agency on or before the filing deadline.

(b) Upon filing a written request for a fair hearing, the Entity may also request an informal conference with the Medicaid Agency to seek a resolution of the sanctioned activity.

(c) If mutually acceptable resolution is not reached through informal conference with the Medicaid Agency, the fair hearing shall be conducted before an impartial hearing officer in accordance with the requirements for contested case proceedings under the Alabama Administrative Procedure Act, Section 41-22-1 *et seq.* of the Alabama Code. The hearing authority for all fair hearings of Entity sanctions shall be the Commissioner of the Medicaid Agency, who shall appoint one or more hearing officers to conduct fair hearings and submit findings and recommendations to the Commissioner for final decision on each Entity grievance. The hearing officer shall not have been involved in any way with the Entity sanction in question.

(d) A fair hearing shall be impartially conducted and held at the Medicaid Agency's central office in Montgomery. Written notice of the date, time, place and nature of the fair hearing shall be sent by certified mail to the Entity's address of record and may also be communicated by email or facsimile transmission by the Director, Hearings of the Medicaid Agency, or the designated hearing officer, at least ten (10) calendar days before the hearing is to be held. The notice shall comply with the requirements of Section 41-22-12(b) of the Alabama Code.

(e) The Entity may be represented at the fair hearing by legal counsel at its own expense. The Entity may call witnesses and may examine witnesses called by other parties.

(f) The Medicaid Agency shall be responsible for payment of the hearing officer(s) fees and expenses and any court reporter's fees and expenses related to the fair hearing.

(g) All fair hearings shall be conducted in accordance with the provisions of Sections 41-22-12 through 41-22-19 of the Alabama Code, unless otherwise noted in this rule. Within thirty (30) calendar days of the conclusion of the hearing, the findings and recommendations of the hearing officer shall be submitted to the Commissioner of the Medicaid Agency, who shall make a final decision within thirty (30) calendar days of the recommendation. The Medicaid Agency shall promptly send a copy of the final decision to the Entity's address of record by certified mail.

(h) The Entity may seek judicial review of the final decision of the Medicaid Agency in accordance with the provisions of Sections 41-22-20 and 41-22-21 of the Alabama Code.

(i) Nothing in this rule is intended to create or establish new causes of action in any court. Nothing in this rule shall be construed as a waiver of any sovereign, qualified, or any other type of immunity.

(6) Pre-termination Hearing. Before terminating the contract as a sanction under this rule and 42 C.F.R. § 438.708, the Medicaid Agency will provide the Entity with a pre-termination hearing to be conducted in accordance with the procedures for fair hearings set forth herein. Prior to such pre-termination hearing, the Medicaid Agency will, in accordance with 42 C.F.R. § 438.710:

(a) Give the Entity written notice of the Medicaid Agency's intent to terminate the contract, the reason or reasons for termination of the contract, and the time and place of the hearing;

(b) After the hearing, give the Entity written notice of the decision affirming or reversing the proposed termination of the contract and, for an affirming decision, the effective date of termination; and

(c) For a decision affirming the determination to terminate the contract, give enrollees of the Entity notice of the termination and information, consistent with 42 C.F.R. § 438.10, on their options for receiving Medicaid services following the effective date of termination.

(7) Sanctions Not Exclusive. The imposition of a single sanction by the Medicaid Agency does not preclude the imposition of any other sanction or combination of sanctions or any remedy authorized under the contract for the same deficiency. The Medicaid Agency may impose sanctions under this rule in addition to or in lieu of exercising any other right, remedy, or authority that the Medicaid Agency may exercise under other rules promulgated by the Medicaid Agency, other applicable state and federal laws and regulations, or any contract between the Medicaid Agency and an Entity. Nothing in this rule shall restrict or prevent the Medicaid Agency or the State of Alabama from obtaining declaratory, injunctive or equitable relief, or from recovering damages from an Entity and/or any other person or entity for breach of contract or any other cause of action.

Rule No. 560-X-37-.09 Attribution under the Alabama Coordinated Health Network Program

(1) Under the Alabama Coordinated Health Network (ACHN) Program, Medicaid recipients will be attributed to Primary Care Physician (PCP) Groups based on the historical visitation practices of the Medicaid recipient. Attribution is the process that will be used to associate a Medicaid recipient to the PCP Group that provides primary care to that recipient. Under the ACHN Program, PCP Groups will be eligible to receive bonus payments based on having a completed ACHN PCP

Group Agreement with the Medicaid Agency, a PCP Network Participation Agreement with an ACHN, and meeting participation requirements as identified in the Participation Agreement; in addition to meeting quality measures, cost effectiveness measures, and Patient Centered Medical Home Recognition. If a PCP Group is eligible to receive bonus payments, the amount of the bonus payments payable to a PCP Group will be determined by the number of recipients attributed to the PCP Group. On a quarterly basis, the Medicaid Agency will perform attribution for each Medicaid recipient under the ACHN Program in accordance to the following process:

(a) The Medicaid Agency will review the previous two (2) year history of face-to-face doctor visit utilization for each Medicaid recipient. Utilization will consist of preventive visits and regular office visits. A PCP is defined, by specialty, as Family Practice, Pediatricians, Internists, General Practitioners, FQHCs, RHCs, and Nurse Practitioners/Physicians Assistants in a PCP Group. When in the best interest of a patient (e.g., children with special health care needs), a nontraditional PCP specialty may be considered as a PCP. Physicians with other specialties may be considered for PCP participation if willing to meet active participation requirements. All other providers are deemed specialists.

(b) Points will only be awarded for claims that are in a paid status before the end of the attribution run period.

(c) The Medicaid Agency will review the previous twelve (12) month history of filled prescriptions for chronic care conditions for each Medicaid recipient.

(d) The point values described below associated with the visits and prescriptions will be assigned to the individual doctor that performed the service. The individual PCP scores will be combined to form the PCP Group's total point score.

(e) PCP Groups will receive points based on the number of preventive visits and regular office visits conducted by the PCP Group. Preventive visits will receive a higher point value. Visits that have occurred more recently will receive a higher point value. Visits with a PCP will receive a higher point value than visits with a specialist.

(f) PCP Groups will receive points based on the number of prescriptions filled for chronic care conditions. For the purposes of this rule, prescriptions for chronic care conditions shall mean more than one prescription filled for a chronic condition (e.g., asthma) and must correspond to an office visit from the prescribing provider within the previous two (2) years.

(g) The PCP Group with the highest number of points will have the Medicaid recipient attributed to that PCP Group. The Medicaid recipient must have been eligible for the ACHN program for three (3) out of the previous twenty-four (24) months to be attributed.

(h) If a specialist group has the highest number of points, then the specialist group will be attributed the Medicaid recipient; however, a specialist group shall not be eligible to receive the bonus payments described above.

(2) A PCP Group may request the attribution calculation for any Medicaid recipient the PCP Group has provided primary care services for in the preceding two-year period. If a PCP Group believes the Medicaid Agency has not properly attributed one or more Medicaid recipients to the PCP Group, it may request the Medicaid Agency reconsider its attribution calculation.

(a) A request for reconsideration must be submitted to the Medicaid Agency in writing and within seven (7) business days of the quarterly attribution notification. The written request for reconsideration must contain the period of attribution, the Medicaid recipient(s) the PCP Group believes was/were not properly attributed, and supporting information and/or documentation demonstrating that the Medicaid Agency either failed to or improperly considered information which had a material impact on the result of the attribution.

(b) The PCP Group that has been attributed the Medicaid recipient(s) subject to the request for reconsideration shall be notified by the Medicaid Agency of the request and be permitted to submit information for Medicaid Agency consideration within three (3) business days of the notice.

(c) The Medicaid Agency will review all relevant information and complete any adjustments to the PCP Group's Medicaid recipient attribution within seven (7) business days of receipt of the request for reconsideration.

Rule No. 560-X-37-.10 Payments to Primary Care Physicians and Delivering Healthcare Professionals Participating with the Alabama Coordinated Health Network

(1) Primary Care Physician (PCP) Groups.

(a) To participate with an Alabama Coordinated Health Network (ACHN), a PCP Group must engage with the ACHN as follows:

1. PCP Groups must sign two agreements beyond their Medicaid enrollment:
 - (i) A PCP Group Agreement with Alabama Medicaid; and
 - (ii) One agreement with an ACHN entity.
2. Over a twelve (12) month period, attend in person at least (2) quarterly Medical Management Meetings and one webinar/facilitation exercise with the ACHN's Medical Director. Attendance requirements can be met by having one PCP or Nurse Practitioner/Physician Assistant from the group attend;
3. Engage in ACHN initiatives centered around quality measures;
4. Review data provided by the ACHN to help achieve Alabama Medicaid and ACHN quality goals; and
5. Engage, as appropriate, in the ACHN's Multidisciplinary Care Team and the development of an individualized and comprehensive care plan.

(b) Participation requirements will be monitored on a monthly basis by the ACHNs and Alabama Medicaid. If an ACHN indicates a PCP group is not attending meetings or engaging as described above with the ACHN, Alabama Medicaid and the ACHN will make the determination to end the PCP's Group Agreement to participate in the ACHN Program.

(c) PCP groups who participate with an ACHN will be eligible for the following payments:

1. ACHN Participation Rate: PCP Groups are eligible to earn higher payments for 15 Evaluation and Management codes if they participate with the ACHNs. For a list of these E&M codes, see State Plan Attachment 4.19-B, page 2c.1. Rates are published on the Agency's website at www.medicaid.alabama.gov. The following provider groups are not eligible to receive ACHN Participation Rates: Federally Qualified Health Centers (FQHCs), Rural Health Centers (RHCs), OB/GYNs and nurse midwives, and nursing facilities.

2. Performance Bonus Payments: A performance payment pool has been established in the amount of \$15 million annually to fund three (3) performance payments for participating PCP groups. The performance payments pool is allotted as follows: 50% for quality, 45% for cost effectiveness, and 5% for Patient Centered Medical Home (PCMH) Recognition. This bonus pool includes payments to FQHCs and RHCs.

3. Quality Performance Bonus Payments: All Participating PCP groups that meet or exceed annual quality benchmarks determined by Alabama Medicaid are eligible to receive a quarterly quality performance bonus payment.

(i) Quality payments for the period between October 1, 2019, and September 30, 2021, will be distributed to each PCP group based on the number of Medicaid recipients attributed to the PCP group, as determined in accordance with Rule 560-X-37-.09, for the prior quarterly period.

(ii) Quarterly payments after October 1, 2021, will be based on actual quality measure performance as soon as the previous calendar year's performance has been calculated. These payments will be distributed to each PCP group based on the number of Medicaid recipients attributed to the PCP group, as determined in accordance with Rule 560-X-37-.09, for the prior quarterly period.

4. Cost Effectiveness Performance Payments: All Participating PCP groups that meet or exceed cost effectiveness criteria established by the Agency are eligible to receive a quality cost effectiveness bonus payment.

(i) Quarterly cost effectiveness payments for the period between October 1, 2019, and December 31, 2020, will be distributed to each PCP group based on the number of Medicaid recipients attributed to the PCP group, as determined in accordance with Rule 560-X-37-.09, for the prior quarterly period.

(ii) Quarterly cost effectiveness payments after January 1, 2021, will be based on actual performance. The cost effectiveness performance calculation compares a 12-month per member per month (PMPM) to a risk-adjusted expected PMPM based on the costs of similar PCP groups that treat Medicaid recipients. Groups will be ranked by an efficiency score that is derived from actual PMPM versus the expected PMPM. The cost effectiveness performance payment will be made for the PCPs at or below the median efficiency score. This calculation will occur as soon as the previous calendar year's performance has been calculated. These payments will be distributed to each PCP group based on the number of Medicaid recipients attributed to the PCP group, as determined in accordance with Rule 560-X-37-.09, for the prior quarterly period.

5. PCMH Recognition Performance Payments: The purpose of the PCMH Recognition performance payment is to incentivize providers to attain PCMH Recognition thereby ensuring Medicaid recipients are receiving care through a nationally recognized medical home model. All PCP groups who receive PCMH recognition will receive a quarterly bonus payment. The PCP group can obtain PCMH Recognition or certification through a nationally recognized entity such as National Committee for Quality Assurance (NCQA).

(i) Payments made for the period between October 1, 2019, and September 30, 2020, will be made based on the number of Medicaid Recipients attributed to the PCP group, as determined in accordance with Rule 560-X-37-.09, for the prior quarterly period.

(ii) Payments made after October 1, 2020, will be based on the PCP groups attestation of PCMH Recognition. The amount of the bonus payment will be distributed based on the number of Medicaid Recipients attributed to the PCP group, as determined in accordance with Rule 560-X-37-.09, for the prior quarterly period. Beginning October 1, 2020, if a PCP group does not meet PCMH Recognition, the Agency will not pay the PCMH bonus payment to the PCP group.

(2) Delivering Healthcare Professionals (DHCPs)

(a) To participate with an ACHN, a DHCP group must engage with an ACHN as follows:

1. A DHCP must sign a Delivering Healthcare Professional Group Agreement with an ACHN;
2. Provide data to the ACHN;
3. Engage in the development of the Medicaid recipient's care plan; and
4. Engage in the DHCP selection and referral process.

(b) Participation requirements will be monitored on a monthly basis by ACHNs and Alabama Medicaid. If the ACHN indicates a DHCP group is not providing data to the ACHNs, engaging in the development of the care plan, or engaging in the selection and referral process, Alabama Medicaid and the ACHN will make the determination to end the DHCP's contract. DHCPs who fail to meet these requirements will neither be referred Medicaid recipients by the ACHN nor will be able to provide maternity services to the ACHN population.

(c) DHCPs participating with the ACHN are eligible to receive a bonus payment for providing the following services:

1. an initial prenatal visit in the first trimester and/or
2. a post-partum visit.
